Have you ever thought of all the papers printed in Ontario, there is only one Farm business paper? That is The Weekly Sun, Toronto. For farm news and market reports, it is without an equal. If you want to make the farm pay you cannot afford to be without this paper.

The officers of the district, Toronto, gave the programme at the Epworth League Monday evening. Addresses bearing on Good Citizenship were given by Mr. Seymour and Mr. Stapleford. A scripture lesson was read by Miss Rayart, and solos were contributed by Miss Helston.

The editor acknowledges with thanks a basket of apples from Mr. E. W. Moyle, the finest we have seen this year. They are of the Alexander and Beauty of Kent varieties and almost every apple in the basket measured 13 inches in circumference, every way they are measures. We doubt if either variety could have been beaten at the Toronto Exhibition.

Brown's Nurseries are famous for their fine Peach, Apple, Plum and Cherry trees. They have the best nursery soil in Canada and are the largest growers of trees in the Dominion. All scions and bud-sticks are cut by one man and he has been in their employ many years, so no mistakes are made by using wrong scions or buds. Send for Catalogue or write for agency, as they have some unoccupied territory in your country. BROWN BROS. CO., Browns Nurseries, Welland Co., Ont. 16 3 mo.

PRESBYTERIAN CHURCH.
A special programme will be presented at the Guild on next Friday evening at 8 o'clock, when Rev. M. A. Lindsay of Newbury will give an illustrated lecture on "Bunyan's Life and Times and Pilgrim's Progress," with some slides showing masterpieces in sacred art and hymns. No admission fee will be charged, simply the monthly collection of the society. Let us have a good house.

Rev. E. C. Currie will preach next Sunday morning on the "Divine Purpose in the Unspeakable Gift." In the evening the service promises to be one of special interest and instruction. As the day is what will be known throughout the province as "Tuberculosis Sunday" this will be the evening theme. Dr. Langstaff and Dr. Routley of Maple will both speak on the subject. No special collections are asked. The object of the day is popular information and everybody is invited.

METHODIST CHURCH.
The service next Sunday evening will take the form of talks on the question of Tuberculosis, by request of the National Sanitarium Association. Addresses will be given by the pastor, Rev. Dr. Smith, and Dr. Pentland, and a paper will be read by Dr. Lillian Langstaff. It is hoped there will be a large attendance.

REASONS

WHY LOCAL OPTION SHOULD NOT BE REPEALED IN THE TOWNSHIP OF MARKHAM.

1. Only those engaged in the "orgies" are confirmed drunkards who desire to bring Local Option into disrepute.
2. It has removed temptation from those who desire to lead temperate lives, yet who were moderate drunkards.
3. The many manly young men are growing up with so much self-respect that they have no desire to break the law in forming bad habits.
4. Patrons have found that worse meals are served and a higher price demanded in hotels with license than in unlicensed places.
5. If the owners of houses without license sell liquors and break the law what guarantee that if Local Option is repealed and a wine and beer license issued, they will not further break the law in selling spirituous liquors and also as they formerly did sell liquor in prohibited hours. The fines paid proves that a majority of liquor sellers are law-breakers and their promise of words are no good.
6. When a hotel-keeper without license in a part of the township is satisfied with his profits with the travelling public, it ill becomes others in better situations to say they have not sufficient business ability to make it pay without the sale of liquor.
7. Who are the most active in endeavors to repeal the by-law?
8. Mothers, with boys growing up, do not desire them to become drunkards, and fathers, who consider the question rightly, would be leaving an inheritance unblemished for their families by opposing repeal.
