LECTURE AND ENTERTAINMENT

The Epworth League is to be congratulated on their lecture and entertainment in the Methodist Church Monday evening. The Unionville Male Quartette with a lady piano accompanist, gave a number of appropriate choice solos and other vocal selections in a manner that could not fail to be appreciated, and Rev. Dr. Speer's lecture on "The Land of the Shamrock" was humorous and entertaining. The lecturer gave a true picture of Irish character, and related many anecdotes and incidents showing their natural wit and humor. Dr. Speer who was born in Ireland paid a visit last year to the land of his birth, and was therefore in a position to speak on his subject from experience. The Irish were pictured as a kind hearted and loyal people, ever ready to take their place if needs be on the field of battle in defence of the British Empire. He had visited places in Ireland where the poverty and squalor was awful, and much of this he attributed to the drink habit. Dr. Speer referred to their great affection, especially in the home circle, said there were fewer divorces in Ireland than any other country in the world, and complimented the Catholic Church on the fact that it does not recognize divorces. He mentioned the names of many Irishmen who had honorable records all over the world. On the question of Home Rule Dr. Speer said he would not give an opinion, but in conclusion he said he hoped to see the day when a wreath and a crown would be made from the Rose, the Thistle and the Shamrock in honor of the freedom of Ireland. The chairman, Rev. Dr. Smith, thanked the lecturer and the musicians for the delightful entertainment given.
