

A MESSAGE FOR THOSE WHO SUFFER

MRS. E. J. TALBOT TELLS THEM TO FIND A CURE IN DODD'S KIDNEY PILLS.

She Had Rheumatism, Lumbago and Neuralgia and Found the Remedy She Was Looking for in Dodd's Kidney Pills.

Hamilton, Ont., Mar. 17 (Special)—"I know there are a lot of people who suffer and do not know what will cure them. Dodd's Kidney Pills will."

These are the words of Mrs. E. J. Talbot who resides at 293 Wellington street north, this city. And Mrs. Talbot speaks out of her own experience.

"Last July I was very sick," Mrs. Talbot continues. "My heart bothered me, my limbs were heavy, and I had a dragging sensation across the loins. Rheumatism, lumbago and neuralgia added to my sufferings, and the doctor I called in did not help me much."

"I finally decided to try Dodd's Kidney Pills. I have used seven boxes and I am so much stronger and better that I feel I must recommend them to others."

Mrs. Talbot's complication of troubles all came from sick kidneys. That's why Dodd's Kidney Pills cured them. For Dodd's Kidney Pills are no cure-all. They simply cure kidney disease of any kind. They never fail to do that.

Taking No Chances.

Lady Duff Gordon has denied the spiteful assertion that she is barred from Court because of her connection with "trade."

"It is true," said her ladyship, "that I don't go to Court; but this is simply and solely because I haven't the time to spare. I'm too busy."

Cure Your Sore Throat Nerviline Will Do It

Blessed Relief Comes Quick, You Get Comfort. Every Pain Disappears.

"Experience has taught me that the quickest way to cure a sore throat is with Nerviline," writes Mrs. Enoch P. Maclean. "My children always seem to get wet feet and stay out in the cold, and in consequence I have to keep a good household remedy handy. I rub in Nerviline almost every hour, give the children say twenty drops in hot sweetened water, and make them gargle with it. I have yet to see the cold this won't break up quickly."

From the La Have Islands, N. S., Mrs. John Walfield writes:—"We have been using Nerviline for about nine years, and find it excellent. When we find any of us getting a cold we take Nerviline in hot water. It is a sure relief for it, and is also an instant relief for internal pains of any kind."

The remarkable pain-subduing power of Nerviline and its ability to check colds, influenza and sore throat is unequalled. Every home should have Nerviline handy on the shelf for sudden illness at night, like cramps or internal pains. His Sorry Plight.

A man who was greatly troubled with rheumatism bought some red flannel underwear recently, which was guaranteed in every respect, and a couple of weeks later returned to the store where he made his purchase.

"These flannels are not what you claimed them to be," he said to the clerk.

"What is the trouble with them?" asked the clerk, "have they faded or shrunk?"

"Faded! Shrunk!" cried the purchaser, indignantly. "Why, when I came down to breakfast this morning with one of them on my wife asked me:

"What are you wearing the baby's pink coral necklace for?"

"I had to appear in court yesterday." "What for?" "Riding a cycle furiously through a public thoroughfare." "How did you get on?" "Fine."

Roland—"There goes young Swift. They say his wife has money." Oliver—"Well, that isn't his fault. They've only been married a short time."

Dizzy Headaches Cured in One Night

If Troubled With Head-Fullness, Ringing Noises, Specks Before the Eyes, the Stomach is at Fault.

Quick Relief and Certain Cure Came From Dr. Hamilton's Pills.

"I had terrible pains in my head. My appetite faded away, and when I did eat anything it disagreed and made me very sick for hours after each meal. The pains in my stomach and the dizzy headaches I had to endure almost set one wild. Sometimes attacks came on so severely that I had to go to bed. I would feel so worn, depressed and utterly miserable that for hours I wouldn't speak to my family. My system was poisoned with wastes and nothing helped me till I used Dr. Hamilton's Pills. Without this grand system-cleaning remedy I would still be sick, but each day brought me better health and spirits. I was cured and made strong, ruddy and healthy, and will always use and recommend Dr. Hamilton's Pills."

"MRS. B. C. CURRAN, Westport P. O." Thousands who are in an ailing, low state of health need nothing else but Dr. Hamilton's Pills. 25c. per box, or five boxes for \$1.00, at all druggists and storekeepers, or the Catarrh-ozone Company, Buffalo, N. Y., and Kingston, Ont.

ROYAL SMOKERS.

How the Rulers of the World Best Enjoy Tobacco.

His Majesty King George, like his father before him, is particularly partial to a "good smoke"; but our present Sovereign's fondness for the weed most frequently finds expression through the medium of a dainty cigarette.

Provided the cigarettes are not too full flavored, King George is not fastidious as to the brand; neither is his Majesty exacting as to the style of their make-up. The Czar, on the other hand, will not smoke any but one special sort of Turkish cigarette, and that with a cardboard mouthpiece. His Imperial Majesty of Russia does not care for amber or other mouthpieces.

Kaiser Wilhelm of Germany smokes a good many very big cigarettes daily, made to his own order. King Alfonso of Spain is an immoderate consumer of mild cigarettes, which he likes to roll with his own Royal fingers; while the Khedive is given greatly to the enjoyment of cigarettes machine-shaped, of Egyptian origination.

The Czarina likes, in private, to indulge in a fragrant cigarette occasionally; and other Royal ladies who find solace in a cigarette now and again are the cultured Queen of Roumania and her exiled Majesty Queen Amelie of Portugal, who has long been a devotee of the "divine" herb.

"I always reason things out with my boys. When I don't want them to do a thing I sit down and explain to them why."

"And do you get away with it?"

"Of course."

"You're lucky. I've tried that several times, but each time they have called in their mother and together decided that I was dead wrong."

ONTARIO'S INDUSTRIES.

Their Use of Wood Studied by Dominion Forest Service.

What woods do the brush-makers of Ontario use? How much of each kind? What is the value of the wood? Where does it come from?

These and other questions with respect to the industry mentioned, and also thirty-five other industries which use wood in their product are answered in a pamphlet soon to be issued by the Forestry Branch of the Dominion Department of the Interior. The pamphlet is known as that Branch's Bulletin No. 36, and is entitled "Wood-Using Industries of Ontario."

For some years the Forestry Branch has issued statistics as to the quantity and value of wood used in the saw-mills, pulp-mills and other wood manufacturing industries. The scope of this booklet, however, is different. The term "wood-using industry," as here used, is intended to refer particularly to those industries which use for their raw material wood which has already been put through one or more processes of manufacture. For instance, the saw-mills, which use for their raw material the logs as they come from the forest, and which saw these into lumber, are not included. The planing mill, on the other hand, takes for its raw material the boards, plank and other material which the saw-mill turns out as its finished product, making these into sash, doors, etc. So the planing-mill falls into the class of "wood-using industries" as understood in this bulletin, while the saw-mill plainly does not. Such a distinction cannot, of course, always be carried out strictly.

The wood-using industries of the other provinces will be studied as soon as possible. The study of these industries in the Maritime Provinces is almost completed.

Those interested in the present pamphlet may obtain copies gratis, when issued, by applying to the Director of Forestry, Ottawa.

ZAM-BUK DOES CURE PILES.

Mrs. C. Hanson, wife of the proprietor of the Commercial Hotel, Poplar, B.C., suffered from piles for years. Went to doctor after doctor in vain. Finally went to Spokane and had an operation. Twelve months afterwards she was as bad again. She says, "One day I read about Zam-Buk and thought I would try it. The first one or two boxes gave me more ease than anything else I had tried, so I went on with the treatment. In a short time I began to feel altogether different and better, and I saw that Zam-Buk was going to cure me. Well, I went on using it, and by the time I had used six boxes I was delighted to find myself entirely cured." 50c. all druggists and stores.
