FROM EXPRESS-HERALD

The last number of the Newmarket Express-Herald contained a reference to two sermons preached the previous Sunday by Rev. Mr. Simpson, pastor of the Methodist church. We believe the synopsis is worthy of a place in this paper:—"The pastor preached two excellent sermons on Sunday. The morning subject was 'Four men and another.' The text chosen was Mark 2:5. 'When Jesus saw their faith He said unto the sick of the Palsy, Son, thy sins be forgiven thee.' What the world wanted was not more preaching, or more churches, but more sympathy for one another. Instead of criticizing and condemning another, to put ourselves in another's place, and say if we were in his place how would we feel, was sympathy. Some people were so paralyzed and warped with sin they would never get to Christ unless some one helped them to get to Him. If one method failed, invent another. We were not as much interested in our neighbor's spiritual welfare as we should be. In the evening the subject was the 'Christian and amusements.' Every one needed some recreation or their work became monotonous. What the nature of that amusement should be, must be decided by each individual. Some people like the minister to say just what was right and wrong, but he refused to act as the conscience of any man. Whatever made religious things distasteful to us or kept us from doing things, was wrong. He condemned betting—it was wrong from beginning to end. If betting was stopped it would kill horse racing. The theatre also was a place for the breeding of vice."

I.O.O.F. LECTURE.

Invitations have been sent out by Hillcrest Lodge, I. O. O. F., of Richmond Hill, to a lecture given by professor L. E. Horning M.A. P.H.D., of Victoria College University of Toronto. The members consider themselves very fortunate in securing Dr. Horning and are giving the people of Richmond Hill and vicinity the opportunity of hearing one of the most highly educated men, and one of the soundest thinkers on Canada's present day problems that we have in Canada today. This is assured by recent addresses before the Canadian Club, and Empire Club of Toronto, and also his recent election to the Presidency of the Peace and Arbitration Society of Canada. His subject on Wednesday, April 2nd, at the Masonic Hall, will be "Canadian Citizenship and Outlook" and his audience is assured that this rather hackneyed subject will be treated from new and unusual standpoints. The lodge has gone to considerable trouble and expense to provide this treat for their friends and feel sure it will be accepted in the spirit given.

THE LAWRENCE GREENHOUSE.

Mr. W. J. Lawrence suffered a heavy loss on Good Friday afternoon when the east half of the Greenhouse was unroofed and the great glass building practically destroyed. It will be remembered that early in the winter the roof on the west half went in from the weight of the snow, as that part was not heated, and consequently the snow on the roof did not melt. The west part of the east half had been boarded up, but Friday about 2 o'clock the high wind gained an entrance, and the building was practically demolished. Mr. Lawrence had in the building 50,000 rose bushes ready for transplanting; 50,000 carnations, and flowers and plants of many varieties. Everybody sympathizes with Mr. Lawrence in his tremendous loss, but of course sympathy will not replace the building. Our citizens are pleased to know, however, that Mr. Lawrence will rebuild as speedily as possible.

RURAL SCHOOL FAIR.

Mr. J. O. Steckley, District Representative, Ont. Dept. of Agriculture and Mr. Mulloy, P.S.I., have planned a Rural School Fair for Vaughan Township for 1913. This Fair is open to the pupils of rural schools in Vaughan Township, and is for the purpose of stimulating interest in Agriculture among the pupils. The pupils will be given the seed which they are to sow according to instruction. A four page circular has been issued, and any pupil wishing to enter for prizes which will be awarded for potatoes, corn etc. should write the proper native of Newmarket for the circular which gives directions and full instructions.

HUNTLEY—HARTEN

Allen, while the groom was attended by his nephew R. E. Huntley. Rev. S. C. Snider officiated. Mr. and Mrs. Huntley received many handsome and useful presents. After the wedding supper the happy couple left for their honeymoon in Pine Orchard, Keswick and Toronto.

MR. OHAPMAN'S WILL

Isaac Chapman, who died at his homestead in Vaughan township, Thornhill, on March 12, left an estate valued at \$38,473 the principal item being 130 acres of land in Vaughan township valued at \$32,000; \$2,500 in farm stock and produce. A mortgage of \$800 is to be divided among six grandchildren. Two of his grandchildren are bequeathed \$100 each, and the remainder of his estate is equally divided between his two daughters, Bertha and Lucy Chapman.—Daily Star.

A GREAT SALE

Mr. Burwick Weldrick who recently sold his farm at Langstaff and afterwards purchased the Kirby farm near Teston had an excellent sale conducted by Mr. J. T. Saigeon on Tuesday of last week. Horses brought from \$200 to \$275, cows from \$50 to \$94, and his 20 pigs netted him \$428. Altogether the sale amounted to \$4,092. The proprietor retained all the stock and implements he required for the new farm, but to his credit it can be said that everything he advertised and put up for sale was knocked down to the highest bidder.
