

## LIBERAL CLUB FEDERATION

The aggressive attractive policy of development and expansion is to be the rule for the new Liberal Club Federation of Ontario formed in Toronto with great success on March 4th. The Executive Committee of the new organization met in Toronto on March 29th and immediately began to put into effect suggestions made at the Federation meeting for the extension and improvement of Liberal Clubs.

The Federation meeting itself was an unqualified success. Delegates were present from all parts of Ontario, and there was apparent an enthusiastic determination to make the new movement count for much. The hope was expressed that through it the young men of the Province would become more interested in political questions in the Province. Hon. MacKenzie King was present to give his best wishes to the new organization. In the evening the delegates were entertained at dinner in the palatial new Ontario Club. Mr. N. W. Rowell K. C., M. P. P., was toastmaster, and a number of splendid speeches were given by young men from various Clubs.

The Markam Sun commends the speech of Mr. W. F. McLean on the Navy question and says:—"Mr. MacLean suggested that both parties should find common ground upon which to base some form of agreement on the naval question, something which would contribute to the safety of the Empire and leave unimpaired Canadian autonomy." We agree with The Sun. Mr. MacLean made a very sensible speech. The member for South York made it perfectly clear that he believes in a Canadian Navy, to be built and manned by Canadians. But Mr. MacLean does not want to vote for anything proposed by Sir Wilfrid Laurier and the Dominion Opposition in the House of Commons.

Some of the newspapers are quite properly praising the Hon. Col. Sam Hughes, Minister of Militia, in his condemnation of the drinking practices in the rank and file of the citizen soldiers, and in forbidding the sale of liquor in canteens. And the same journals cannot be blamed for pointing out that the same Hon. Colonel could materially aid the movement he is seeking to promote by keeping liquor out of the officers' clubs and messes also. The inference seems to be that it is not improper to drink if those who indulge, drink like gentlemen.
