

SHE TOOK HER FRIEND'S ADVICE

LAND DODD'S KIDNEY PILLS CURED HER SON.

Straight and Simple Statement Tells of Another Grand Cure By the Old Canadian Kidney Remedy.

Springhaven, Yarmouth Co., N. S., March 31 (Special).—Simple and straight to the point is the statement of Mrs. Erven C. Trefry, of this place, but it tells of another grand cure by Dodd's Kidney Pills. "My fifteen-year-old son, Angus," Mrs. Trefry states, "suffered from pain in his back, headache, and a pain over his eyes.

"He was so bad he could not walk across the floor. My friends advised me to give him Dodd's Kidney Pills.

"They cured him." That young Trefry's kidneys were wrong is evidenced by the cure. Dodd's Kidney Pills only cure diseased kidneys. They never fail to do that.

The reason they cure rheumatism, backache, gravel, dropsy, Bright's disease, diabetes, and kindred diseases, is that these all spring from disordered kidneys.

If you have any of these diseases you haven't tried Dodd's Kidney Pills. Ask your neighbors. They'll tell you Dodd's Kidney Pills always cure them.

A Lucky Dog.

"Brown's a luck dog."
"What's he been doing now?"
"You know that \$1,000 he inherited a year ago?"
"Yes."
"Well, he still has it."

To whom it may concern: This is to certify that I have used MINARD'S LINIMENT myself as well as prescribed it in my practice where a liniment was required and have never failed to get the desired effect.

FRENCHMEN FEAR AIRSHIPS.

Think They Are Being Outclassed By the Germans.

French opinion is waking up to the fact that Germany, in the sphere of military aeronautics, is leaving France badly in the rear.

General Lacroix and a number of other eminent strategists unite in declaring that France has nothing to show against Germany's aerial cruisers but a fleet of "penny steamers," and they strongly deprecate the attitude taken generally in France towards dirigibles. They think the sudden development of aeroplanes caused an entirely unwarranted enthusiasm for those machines, and a corresponding disparagement of dirigibles. General Lacroix holds that the opposition to rigid dirigibles in France is quite wrong; the supple type of airship favored by the French military authorities is, from the military point of view, exceedingly risky, a pinprick sufficing to destroy them. Airships of the German rigid type, with their several compartments, are capable of withstanding considerable damage before being put absolutely out of action.

Silence of Chinese Bride.

Would you like it if you could talk to no one for three days? Yet that is the fate of the Chinese girl who is married. For three nights after the marriage the Chinese bride veiled, must stay awake and listen to the banterings, the teasings and jokes of some girl friend who is there just on purpose to make her laugh, cry, or anything else that will cause a sound. But the Chinese bride must not allow her voice to escape her. She must show, by staying silent those three nights, that she will be a quiet wife.

Offensive Breath Caused Usually By Catarrh

A Simple Remedy Discovered That Cures Without Drugs.

The American people suffer more from Catarrh than from any other disease. It undermines more constitutions and creates more sickness than all other diseases combined. It is, therefore, very dangerous.

You can't successfully treat Catarrh by internal dosing—you must in some way send a purifying, healing agent through the breathing organs, so that the germs can be reached. This you do every time you inhale Catarrhozone. Its rich essences and healing balsams are breathed all through the nose, throat and lungs, and effectively destroy every trace of Catarrh. This is a proven fact.

I endorse Catarrhozone because I know of six bad cases of Catarrh, including my own, that it has cured. It is a sensible remedy because it is capable of going where the disease is. I believe it cures quicker than other remedy because it gets sooner to the source of the disease than anything else I know of. I had headaches, bad breath, and much stomach trouble associated with my Catarrh, but they have disappeared since using Catarrhozone, which keeps me free from colds, headaches, catarrh and all winter ills." OTTO E. KRAMER, Belleville, Ont.

Catarrhozone is needed in every home. Large size lasts 2 months, price \$1.00; small size, 50c.; trial size, 25c. At all storekeepers and druggists or The Catarrhozone Co., Buffalo, N. Y., and Kingston, Canada.

M.P.'s Have Big Thirst.

To the refreshment department of the British House of Commons legislators pay over \$40,000 a year for wines. The kitchen committee has an exceedingly low tariff for alcoholic beverages. Champagne is many shillings a bottle lower than in good restaurants outside the House. An excellent half bottle of white or red wine can be bought for 12 cents, while 8 cents only is charged for a small cup of black coffee and a liqueur of brandy. The teetotallers in the House number about a hundred.

Paper Money Began in China.

Paper money is said to have had its origin in China in the year 803, when the government issued it to relieve a financial stringency, receiving coin in return, which enabled it to pay off outstanding obligations. In the museum of St. John's College in Shanghai is a paper bill worth 1,000 cash, the equivalent of 50 cents American money, which was issued by the first Ming emperor (Hung-wu, A.D. 1368-1399). It is nearly two feet long and one foot wide, printed on mulberry bark paper, and is a dark slate color.

CLIMATE OF NOVA SCOTIA.

Many Advantages of Living in Province by the Sea.

A gentleman who has spent some years in Nova Scotia writes as follows:—"We have 328 days in the year out of 365 in which the thermometer goes above 32 degrees. This is 28 days greater than for any other part of Canada. We have 276 days in the year in which the thermometer rises above 40 degrees of temperature. This is better by 26 days than any other part of Canada save the Pacific Slope. We have 200 days in which the thermometer goes above 50 degrees of temperature during the year. This record is the same as enjoyed by the southern section of Ontario and by the southern strip of the Western Provinces. When we get into the higher degrees of temperature we find we do not have the same excess of heat as in Ontario or other portions of Canada. 141 days above 60 degrees as compared with 150 and 160 in Ontario! 50 to 72 days above 70 degrees during the year, while parts of the west of Canada, as well as Ontario, have as many as 75, 100 and 112 days in which the thermometer reaches a higher degree of temperature than 70 degrees Fahrenheit. This is evidence for our statements that we share neither the excessive heat nor the extreme cold of the Western part of Canada or the Northern United States. A splendid environment of fresh air, clear water, green fields, and leafy woods, added to other advantages, gives us in abundance what is necessary for ideal home life."

The World's Best Liniment Needed In Every Family From Infancy To Old Age

If Your Home is Without "Nerviline" Read the Following Closely.

The high cost of living to-day demands economy on every side. Sickness is expensive. Far better to treat little ills before they grow serious. For this reason every home should have handy on the shelf a good remedy like Nerviline, which cures the minor ailments that occur in every family.

For example, when the boy comes in with wet feet and a slight cough, Nerviline will cure him. If a cold has settled on his chest, rub on Nerviline and the cold will go.

If something has been eaten that causes cramps, nausea, or diarrhoea, just twenty drops of Nerviline—that's all and cure is effected.

As a liniment for outward application in case of Neuralgia, Lame Back, Sciatica, Lumbago or Rheumatism, it's really hard to imagine how Nerviline relieves, and how soon it cures.

Nerviline is something new. No, it's one of the oldest and best known remedies. Used in thousands of homes by the people of many nations, simply because it stops pain, cures sickness, and rides the family of ills before they become troublesome. Get the family size bottle, price 50c.; trial size 25c., at all storekeepers and druggists or The Catarrhozone Co., Buffalo, N. Y.

OLD SORE HEALED IN SIX DAYS

Nearly Impossible to Heal Skin. Badly Hurt. Sore, Red and Inflamed. Could Not Sleep. Cuticura Soap and Ointment Healed.

Bowman River, Manitoba.—"When I was thirteen years of age I got my shin badly hurt and when healed the skin was attached to the bone. The least bruise would injure it and it was nearly impossible to heal. The sore would be very red and inflamed round the edges and had a burning sensation. When extra sore I could not sleep at night on account of the pain. I always wore a cotton bandage on it from the ankle to the knee. For a number of years I used sticking plasters, then got a salve. I saw the advertisement offering a free sample of Cuticura Soap and Ointment and sent for a sample and purchased some more and in six days the sore was healed completely." (Signed) James Edwards, June 21, 1912.
