

## Found the Cause The Rest Was Easy

**DODD'S KIDNEY PILLS QUICKLY CURED HIS KIDNEY DISEASE.**

**How Hudson Marchbank, After Suffering for Five Years, Found Quick Relief and Permanent Cure in the Greatest of Canadian Remedies.**

Marchbank, King's County, N.B., April 28 (Special).—After suffering for five years from kidney disease, brought on by a strain, Hudson Marchbank, Esq., the well-known farmer of this place, is again a strong, healthy man, and another grand cure for Dodd's Kidney Pills has been put on record. In an interview; Mr. Marchbank says:

"About five years ago I hurt my back from lifting, and it developed into kidney disease. My back pained me all the time, and I was very much troubled with headaches. My appetite was fitful: I had a bitter taste in my mouth in the mornings; I perspired freely, and my perspiration had a disagreeable odor.

"I used liniments and plasters, but they did not do me any good, and as there were other symptoms that my kidneys were affected, I decided to try Dodd's Kidney Pills. After using two boxes, my back was completely cured, and my kidneys have not troubled me since."

When Mr. Marchbank decided that his kidneys were the cause of his troubles the rest was easy. Almost any of his neighbors could tell him that Dodd's Kidney Pills always cure diseased kidneys.

### Character.

Character is made up of small duties faithfully performed, of denial, of self-sacrifice, of kindly acts, of love and duty. The backbone of character is laid at home, and whether the constitutional tendencies be good or bad, home influences will, as a rule, fan them into activity. Kindness begets kindness, and truth and trust will bear a rich harvest of truth and trust. There are many trival acts of kindness which teach us more about a man's character than many vague phrases.

### Helping Some.

"And Sam, do you do anything toward helping to get the where-withal to support the family?"

"Deed I do boss; why, only las' week I went down n' ordered a washin' machine for m' wife."

### Only One "BROMO QUININE"

That is LAXATIVE BROMO QUININE. Look for the signature of E. W. GROVE. Cures a Cold in One Day. Cures Grip in Two Days. 25c.

### A Gloomy Forecaster.

"Don't you want to see the world a place of complete peace and harmony?"

"No," replied Mr. Growcher. "Just as soon as you get the world peaceful and harmonious, a lot of people will arise and kick because competition has been eliminated."

### Minard's Liniment Cures Diphtheria.

The best definition of a demagogue will always remain with the little girl of seven who said: "A demagogue is a vessel containing beer and other liquids."

### Minard's Liniment Cures Distemper.

A Jew took his son Ikey to the theatre. He bought one ticket. When he started in the doorkeeper said: "You will have to have a ticket for the boy." The Jew replied: "I give you my word as a gentleman he won't loafe."

"So you've been to France, again, Mrs. Comeup?" "Yes; seems like we can't keep away from dear Paris. Indeed, my daughter says we're regular Parasites."

### Usually.

When one neighbor tells another neighbor that a new family is about to move in next door these four questions are asked within the next minute or two:

"What's their names?"  
"Got any children?"  
"Do they own a phonograph?"  
"What's his business?"

### BABY'S OWN TABLETS USED FOR TEN YEARS

When one medicine is used in a home for a number of years it is the strongest testimony as to the value of that particular remedy. Thousands of mothers have been using no other medicine but Baby's Own Tablets for years—in fact many of them say they would have no other medicine in the house. Concerning them Mrs. Jas. H. Konkle, Beamsville, Ont., says: "I have used Baby's Own Tablets for ten years and would not be without them as long as there are children in the house." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

### The Lawyer's Turn.

### Saved Old Boxes for Hobby.

The death has occurred at Surbiton, England, of Thomas Sutton, aged 84, who had made thousands of children happy by converting discarded match boxes, cigar and cigarette boxes, chocolate boxes and tobacco tins into attractive receptacles for sweets and giving them away every Christmas to children of public institutions. Last Christmas Mr. Sutton broke his previous best record for a year with more than 8,000 boxes. Since taking up his hobby he had covered and lined nearly 40,000 boxes, all of which he had given away.

Anyway, a man need not fear competition when he is in love with himself.

## Ever Have Cramps, Nausea, Vomiting?

THEN USE NERVILINE.

For Stomach Pains and Cramps, No Remedy so Prompt as Nerviline.

### A Westerner's Experience Related.

"It's in an unsettled part of the country like our far West that proves how valuable Nerviline is in the home," writes Mr. Patrick M. Dehaney, from Fort Saskatchewan. "Chills are frequent—a hot drink of Nerviline sends life circulating through the body in three minutes. Cramps or sudden illness at night is one of our terrors. No druggist or doctor is near, but if Nerviline is handy you can get relief. The worst cramps Nerviline has cured in my children in half a minute. I don't think any farmer's wife has any right to be without the protection of Nerviline. In our family we use it for a hundred ills, and it cures them all. One night one of my kiddies had earache and another toothache. Without Nerviline no one could have slept—I applied it as directed, and the children's pains disappeared. My husband uses Nerviline for lame back, rheumatism, aching joints and all sorts of muscular pains. It is as good inside as outside, and is as much a part of my home as my kitchen stove."

You find a thousand uses for a good family remedy like Nerviline. Get the 50c. family size bottle; it's more economical than the 25c. trial size. Sold by all storekeepers and druggists, or The Cattarhazone Co., Buffalo, N. Y.

### KNEW BIBLE BY HEART.

Wonderful Memory of Presbyterian Minister.

Of the many examples of prodigious memories which have been recorded from time to time none, perhaps, have been so remarkable as the case of Rev. Thomas Threlkeld, who was Presbyterian minister at Rochdale, England, for 28 years and died there in April, 1866, at the age of 67. Threlkeld's memory first attracted attention when he attended the Grammar School at Daventry, where he began to make a close study of the Bible. When a passage was recited to him he could immediately give it, chapter and verse, and, on the other hand, if a chapter and verse were given he could at once repeat the passage.

Both at Daventry and Warrington, where he went to finish his education, his fellow-students delighted in putting his memory to the test, and never once was it known to be at fault.

"In later years," says Mr. Frank Hird, in "Lancashire Stories," "Threlkeld was looked upon as a living concordance to the Bible in Rochdale and the neighborhood, and he was constantly asked the most puzzling questions by his brother ministers, sometimes actually for information, but generally for mere amusement. He was never known to be wrong."

Threlkeld's powers of memory, however, were not solely concerned with theology. He was also a linguist, and knew nine or ten languages, while dates were a passion with him, no matter how unimportant. His knowledge of historic dates, of chronology, heraldry and genealogy was encyclopaedic, and one of his favorite amusements was to go through the succession in the Episcopal Sees and trace the pedigrees of families.

### Due Warning.

Germany is being blamed for the story of a factory notice now going the rounds. Prominently displayed near all the live wires, it reads: "To touch these wires means instant death. Anyone failing to respect this warning will be prosecuted and fined."

No one has, up to the present, had to be prosecuted.

The trouble about taking a chance is that you can't always put it back where you found it.

## FRANCE LEADS IN AIRSHIPS

Has 48 Different Makes to 47 of Other Nations Combined.

An analysis of the existing makes of aeroplanes and hydro-aeroplanes made by a French newspaper shows that France alone possesses forty-eight compared with forty-seven credited to all other nations combined. Numbers alone, it is pointed out, do not prove much, but the chief records give France also the first place.

The non-stop record has been beaten twenty-three times, three times by foreign machines, twenty times by French. The speed record has been held twice by foreign machines and eighteen times by French. The height record has been beaten twenty-five times, four times by foreign machines, the rest by French.

In the list drawn up America is credited with two makes of biplanes (Wright and Curtiss) and three of hydro-aeroplanes (Burgers-Wright, Wright and Benoist); Great Britain with nine makes of biplanes, eleven of monoplanes and one hydro-aeroplane; Germany with six makes of biplanes, seventeen of monoplanes and two hydro-aeroplanes; France with twenty makes of biplanes, twenty-four of monoplanes and twenty-four of hydro-aeroplanes. The remaining countries do not reach double figures. Italy has nine, Austria, three, Japan, Russia and Switzerland one each.

## Bright, Ruddy Cheeks For Pale Girls

No Longer Any Need to be Pale,  
Weak or Anæmic.

By Following the Advice of Miss McEwen  
You Can Quickly Become  
Strong Again.

The pallid girl always lacks appetite. What little she eats is badly digested. At night she is restless, she dozes, but doesn't sleep soundly.

Vital force must be increased, new blood must be supplied and a general rebuilding take place before she will feel like she ought.

Dr. Hamilton has invaluable experience in these cases and found nothing so prompt in building up young women as his vegetable pills of Mandrake and Butternut.

Dr. Hamilton's Pills begin by cleansing the system and purifying the blood; they also improve digestion and render food ready for absorption. Additional nourishment is quickly supplied and the patient is fast strengthened and invigorated. Full of spirit, ruddy and strong is the girl that assists her system by the use of Dr. Hamilton's Pills.

The following recent letter from Miss Etta McEwen, of Haliburton, speaks for itself:

"In using Dr. Hamilton's Pills I find my system is wonderfully built up. It is certainly the most effective remedy I ever used. I have now a good appetite, sleep more soundly, and awaken in the morning feeling quite refreshed.

"Formerly I felt tired and depressed. I looked as if a severe illness were hanging over my head.

"Nothing could give quicker results than Dr. Hamilton's Pills and I strongly advise every young woman to use them."

All dealers sell Dr. Hamilton's Pills, 25c. per box or five boxes for \$1.00, by mail from The Cattarhazone Co., Buffalo, N. Y., and Kingston, Ont.

### Minard's Liniment Cures Cargot in Cows.

### Buildings of Asbestos.

Asbestos plaster, used in the same manner as concrete at the present time, will, so a western construction concern believes, solve several problems. It is claimed not only that buildings constructed of such material would be absolutely fireproof, no matter how hot a fire might be raging on either side, but that the use of such plaster, which is a poor conductor of heat, would save fuel in winter and keep interiors cool in summer. Asbestos is also sound-proof, which is an additional feature of importance, particularly in the construction of hotels, factories and the like.
