

The Liberal.

RICHMOND HILL, ONT., MAY 15, 1913

It is not pleasant for a local paper to point out the apathy of a goodly number of our citizens. Yet, a gentle reminder of this apathy, should not be out of place. Monday of last week was appointed Arbor Day. In the forenoon seven or eight men with two teams went to the woods, and dug up and brought home about 200 nice young maples. About 100 of these were planted, but as volunteers could not be found to plant the balance they were allowed to go to waste, although the Council will have to pay for the trees. There is something wrong somewhere, and it is to be regretted that so many men show a lack of enterprise. There are men who have lived in our village for years, and they can "boast" that they have never gone to the woods on Arbor Day, nor planted a tree except in front of their own premises. These same men never attend the Ratepayers Meetings, and they seldom have a good word for the place.

THE LIBERAL regrets exceedingly that the by-law to loan Mr. Lawrence a sum of money to assist in rebuilding his houses was defeated on Saturday. The sum asked would not have been a heavy burden on our property owners, and we fear the defeat will not prove a good advertisement for the village. If we expect our village to grow and progress we must not be afraid of a few dollars more in our taxes. We need more industries here but they may be slow in coming if we turn a deaf ear to reasonable propositions. Many properties in the village have more than doubled in value within the past few years. Surely the owners will not feel inclined to rest content without making an effort for the general prosperity of the place. However every voter was entitled to his or her opinion. And if a mistake has been made, all will suffer alike.

Last week's Orange Sentinel states editorially that at the meeting in the Arena Sir Wilfrid Laurier "admitted" that Quebec was disloyal, and says:— "At the Toronto meeting this week Sir Wilfrid made a striking charge against the loyalty of his own race. He frankly suggested that the people of Quebec are devoid of love or gratitude to Britain or any appreciation of the Empire."

The Sentinel is in error. What Sir Wilfrid said was not that Quebec is disloyal, but the Nationalists of that Province. And the Liberal leader also pointed out in the same address that as soon as Hon. R. L. Borden formed his ministry three of the most outspoken of the Nationalists were at once taken into the cabinet.

Maple.

Mr. Harold A. Waite of Toronto spent the week end at the home of Mr. J. T. Saigeon. On Friday of last week, Rebecca Young, beloved wife of Mr. Charles Stephenson passed away at her home. The funeral took place on Monday to the Maple cemetery. The bereaved husband and the aged mother and the sisters of the deceased have the sympathy of all in their loss. On Sunday evening the pulpit of the Methodist church was occupied by Mr. Manning of Victoria University. While Miss P. Brophy was driving to King she had the misfortune to be thrown from the buggy having her arm broken and being otherwise injured. The old barn on the Noble property has been bought and taken away by Mr. M. Powers. This removes an old landmark. Miss Mathews of Toronto was visiting with Miss Noble over Sunday. At a concert last Friday evening a good programme was listened to by quite a large audience. The sum of \$25 was realized. This will be used for lighting purposes. Mr. Carl Saigeon has received his Diploma having passed with honors the examinations in Book keeping and Commercial Law at the Central Business College, Toronto.

HEART TROUBLE

When uric acid is dissolved in the blood it thickens the blood almost to a jelly; this is what causes the heart to flutter and seem to stop because it is weakened by the strain uric acid puts on it. Anti-Uric Kidney Pills drive out all uric acid poisons from the system. They are quick and safe and guaranteed by W. A. Sanderson. See that the name B. V. Marion is on the package.
