MISS RUTH RECTOR

Considered to have the most luxuriant and beautiful hair in New York, Miss Rector says: "I find a certain pleasure in recommending Saginee as I know Saginee to be a real benefit to women. I had a very hard time trying to dress my hair nice before I used Saginee. It didn't matter what style the hair was being worn my hair was always too dry and lifeless to dress properly. I suffered with dandruff more or less and my hair fell out until it was thin and ragged. My mother urged me to use Saginee as a number of persons had recommended it to her. I used it finally and was only sorry that I had not learned it long before. Saginee has made my hair just as nice and soft and thick as you see it. I have been complimented very much on its unusual beauty. Saginee is now sold in Richmond Hill and costs only 50c a large bottle. Be sure to go to W. A. Sanderson's drug store—other stores don't have Saginee."
