

From Halifax to Vancouver

WOMEN ARE PRAISING DODD'S KIDNEY PILLS.

Nova Scotia Mother Tells How They Cured Her Aches and Pains, and Made Her a Well Woman Again.

Ecum Secum Bridge, Halifax Co., N. S., May 12 (Special).—From Vancouver to Halifax come daily reports of the splendid work Dodd's Kidney Pills are doing for the suffering women of Canada, and this little place can show a splendid cure of its own. Mrs. Orastus Pace, the mother of a large family, was a sufferer from those aches and pains only women know. To-day she is a strong, healthy woman. Dodd's Kidney Pills did it.

"I had a pain in my left side and down through my hips," Mrs. Pace states. "I had headache all the time. My heart was weak, and at times a pain around it added to my fears. Some days I was hardly able to walk.

"I read of a number of cures of cases like mine by Dodd's Kidney Pills, and sent for three boxes. To-day I am a well woman, and can do as much work as ever I could."

Dodd's Kidney Pills cured Mrs. Pace because her troubles came from diseased kidneys. Dodd's Kidney Pills always cure diseased kidneys, and as ninety per cent. of women's troubles come from kidney trouble, Dodd's Kidney Pills have come to be known as suffering woman's best friend.

Cats Marched to Service.

When Mulai Hafid, ex-Sultan of Morocco, succeeded to the Sultanate, he found the sacred city of Fez infested by rats. Without any loss of time he at once nationalized all the cats of Morocco and issued a command that many thousands of them should be marched into Fez for service. For some time a law has existed in Hong Kong making it compulsory to keep cats in every house, the number varying according to the size of the house.

Not Heard.

For a number of years a bitter feud existed between the Browns and the Perkinses, next-door neighbors. The trouble originated through the depredations of Brown's cat, and had grown so fixed an affair that neither party ever dreamed of "making it up." One day, however, Brown sent by his servant a peace-making note for Mr. Perkins, which read: "Mr. Brown sends his compliments to Mr. Perkins, and begs to say his old cat died this morning." Mr. Perkins' reply was bitter: "Mr. Perkins is sorry to hear of Mr. Brown's trouble but he had not heard that Mrs. Brown was ill."

ARMS AND FACE VERY MUCH DISFIGURED

Skin Cracked and Bled, Causing Much Pain. Was Getting Discouraged. Cuticura Soap and Ointment Soothed Right Away. Used Them Four Weeks. Has Not Been Bothered Since.

8 Hunter St., Daville, Toronto, Ontario.—"My little girl was troubled with cracked arms and face from the time she was born. They were certainly very much disfigured. The skin was sensitive and cracked and bled, causing much pain by smarting. When healing a little it took the form of itching. The trouble made her very cross. When she cried the tears would make it smart and cause more pain. I tried cold cream, ——— and ——— and it got better only to break out again when exposed to the air. She suffered for over three years and I was getting discouraged when I read of Cuticura Soap and Ointment and sent for samples. Cuticura Ointment seemed to soothe it right away, where other ointments made it burn, so I bought some more. I used them for four weeks and she has not been bothered since. Her face and arms have never had a mark since, in fact her complexion is wonderfully clear." (Signed) Mrs. Underhill, Dec. 11, 1911.

Cuticura Soap is best for skin and hair because of its extreme purity, delicate yet effective emollient properties, and refreshing fragrance. It costs but little more than ordinary soaps, wears to a wafer and gives comfort and satisfaction every moment of its use, for toilet, bath and nursery. Cuticura Soap and Cuticura Ointment are sold everywhere. Liberal sample of each mailed free, with 32-p. Skin Book. Address post card Potter Drug & Chem. Corp., Dept. 49D, Boston, U. S. A.

SCHOOLS TO TRAIN WIVES.

Where Girls Get a Thorough Insight Into Housekeeping.

A German idea, known as the "marriage school," neatly combines physical and mental culture, and gives equal instruction in practical housekeeping and the duties of a hostess.

Girls are admitted after they have completed their ordinary education, and the principal instruction is in housekeeping, although, of course, cultivation of the mind is not by any means neglected.

At the commencement of the school term the mistress selects four of the girls whom she expects to take entire charge of the house for a week—two servants, a cook and a housemaid, being regularly employed to do the rough work.

These embryo housekeepers have to rise very early in the morning and see that the servants get through with their duties. The girls have to prepare the breakfast with their own hands, and afterward visit every room in the house to see that they have been put in perfect order.

Under the supervision of the mistress they have to cook the dinner, attend to the afternoon tea, and later on prepare the supper. Their duties for the day cease by another inspection of the house, to see that everything is secure for the night.

The following week another quartette of girls is chosen; they perform the same duties. The next week another quartette is chosen, and so on. Two or three times a week the guests are invited to dine, and the girls in turn act as hostess.

They take the head of the table, carve the joints and set the ball of conversation rolling. By way of recreation there are musical evenings, walks and bicycle parties.

A Friend of the Policeman.

Continually on their feet, the "Peelers" are invariably troubled with corns and bunions—but not for long, because they know of a quick cure, Putnam's Corn Extractor; it cures painlessly in 24 hours; try "Putnam's," 25c. at all dealers.

Matter of Thinking.

"I never thought of saving a cent until I got married."

"But you think of it now?"

"Very earnestly, but that's as near as I can get to doing it."

The man who pays as he goes may not go very far but he always gets there.

BOYS' GORGEOUS COSTUMES.

Choristers in King's Chapel Are Very Splendid.

There are ten boys in London who every Sunday and on State occasions wear suits of clothes that in each instance cost something like \$200. The lads thus expensively and brilliantly attired are the choristers belonging to the King's private chapel in St. James' Palace. When arrayed in their State suits they are truly a gorgeous sight.

Scarlet cloth is the foundation of this costume. Bands of Royal purple between rows of heavy gold lace are the adornments. Old lace ruffles are worn at the neck and wrists. These ruffles are so valuable and so difficult to replace that they are worn only on the most special occasions. At other times white lawn bands take their place. The boys must take great care of their suits, which must endure three years. The "undress" suits are replaced every eight months.

This choir is one of the historical institutions of Great Britain, and many of its old-time customs, including the dress of the boys, are retained to this day. The choir has numbered among its singers such distinguished musicians as Sir Arthur Sullivan, Edward Lloyd, Sir John Goss and Dr. E. J. Hopkins.

It is the right of the head boy to demand a guinea as "spur money" from any officer entering the chapel wearing spurs. It is said that when Arthur Sullivan was head boy the Duke of Wellington would always come spurred to the chapel, in order that he might have the pleasure of paying the forfeit to his favorite chorister.

That Terrible Fatigue Can Be Overcome

A Simple Home Remedy Now Cures Lack of Energy, Loss of Ambition, and a Feeling of "Don't-Care."

Successful in Nearly Every Case.

That miserable nervousness and half-sick tired-all-the-time condition is due nine cases in ten to a clogged-up system. You grow irritable and despondent, you lack ambition, energy seems all gone. Surest road to health is by the frequent use of Dr. Hamilton's Pills; they will make you feel like new all over in a short time.

Writing from his home in Barcelona, Mr. Frederick G. Mayer states: "I think no one ever suffered as severely as I did for nearly six months. So many serious symptoms were developing as a consequence of this evil condition of my system that I realized I must find a remedy. The strong pills of various kinds I tried seemed after their first effects were over to make me far worse and I did not know which way to turn for relief. I saw Dr. Hamilton's Pills advertised, and the first box used satisfied me. I found a true remedy. Instead of griping with undue activity, Dr. Hamilton's Pills acted as naturally as if physic had not been taken. I never had to increase the dose and, indeed, within a month I reduced it, when the system finally acted of its own accord as a result of Dr. Hamilton's Pills. I took a dose twice a week only, just to make sure the old condition would not come back."

No other remedy cures constipation and biliousness so easily or safely as Dr. Hamilton's Pills; they are an ideal family remedy for all diseases of the stomach, liver and bowels. Sold in 25c boxes, five for \$1.00, all druggists and storekeepers or The Cattaraugus Co., Buffalo, N. Y., and Kingston, Canada.

QUEEN'S DRESS BILL \$1,250.

Most Economically Dressed Lady in Royal Household.

Queen Mary is against extravagance in dress on the part of the ladies who are about her. She herself sets the example of economy in these matters, for she has the reputation of being by far the most economically dressed lady in the royal household.

Her dress bill is said not to exceed the sum of \$1,250 a year, and yet the most spiteful person could not truthfully say that she ever looks dowdy or shabby. She maintains that \$1,500 a year is the outside amount that any woman need spend on dress, though the maids of honor have an allowance of \$2,000 a year for the purpose, that being the sum that Queen Alexandra in the last reign thought the minimum possible.

Inexpensive.

"Does your wife want to vote?"

"Yes, and I'm almost inclined to give her the ballot."

"Why?"

"Well, that's the first thing she's ever wanted since we were married that won't cost me money."

Jealousy is the offspring of distrust.
