It is understood the Palmer House is not yet rented. This is one of the best stands on Yonge street for a Temperance House. If the right man gets it a great business can be done.

Ripans Tabules assist digestion.

## PRESBYTERIAN CHURCH.

The ladies of the congregation have all arrangements completed for the serving of dinner and tea in the basement on the 24th. A successful fair and large crowd are anticipated and the ladies of the Churches who have for some years endeavored to supply accommodation to the public on Fair Day deserve a fair share of patronage.

Don't forget the very important services announced for our Sabbath School Anniversary next Sunday, at 11 a.m., 2.45 and 7 p.m. Two of our Canadian experts in Sunday School Work will be present for the occasion. Rev. J. C. Robertson, B.D., General Secretary of S. S. Work in the Presbyterian Church will speak in the morning on "Where Our Work Centres" and Mr. Preston G. Orwig Supt. of Secondary Division, Ontario S. S. Association will speak in the evening on "Heroes." Both men will take part in the afternoon session. This should be a great occasion not only for the young people, but for the parents and teachers in the congregation, and should have the value of a S. S. convention. All schools of the village and surrounding community are heartily invited to share in the privileges of the occasion. Let all who can, begin the day well and hear Mr. Robertson in the morning, and the Teachers and Officers of the School ask the parents to co-operate with them in having the boys and girls present for say at least two services. Let none of the children who are able to be present be denied the privilege of this occasion. It is said that some of our people are afraid of the fever but in the opinion of the writer there is quite as much liability to sunstroke. There will be fevers when there are no special Sunday School Days. All offerings not in Duplex Envelopes will be devoted to Sunday School work and we are asked to deal generously with this important institution.

## FINED.

The village constable laid a charge against Mr. H. Moyle and Fred Lepard for riding their bicycles on the sidewalk. The cases came up before Mr. J. H. Sanderson, J.P., on Friday. The magistrate imposed fine on the former amounting with costs to \$4.85, while the latter was allowed to go on suspended sentence by paying the costs. Riding wheels on our side walks should not be allowed, but our citizens should be made to feel that everybody is used the same. Business men, and professional men and men of all classes have been allowed to wheel on the sidewalks with impunity. Our village constable should try and make every citizen feel that no favors will be shown.
