**INEVITABLE**

There was a woman, and she was  
wise,  
She worked according to her size;  
Although, her house was dust-in-  
fested,  
If she was tired she simply rested;  
Her neighbor worked from morn till  
night,  
Half frantically, to have things  
right;  
With broom and hose she'd dust and  
squirt,  
But now she's covered up with dirt.
