

## North Toronto

The first annual banquet of the men of the Eglinton Presbyterian Church, held on Thursday evening in the Town Hall, was a great success. Owing to the illness of the President, the Rev. W. G. Back, the chair was taken by Mr. Jas. Lodge. After partaking of a grand dinner, the evening was spent in music and speech.

The Young Men's Christian Association have opened a branch here in North Toronto. A full line of indoor athletic games have been installed, and with the aid of the instructors, the young men are making much progress. An official opening and skating party took place last Tuesday evening.

The North Toronto High School building is nearing completion. The delay was caused by having to send to the States for the finishing materials. This new school has the finest equipped science laboratory in Canada. The Board of Education are to be congratulated on the erection of so fine a building.

At the present time there is very little building going on and few land sales recorded. A contract has been let for the erection of ten houses on Danforth Ave., the work to commence at once. Real estate men say a "busy spring."

Another grocery business opened up last week at the corner of Yonge and Eglinton Ave., under the name of Hamilton Bros., cut-rate grocers. Glad to hear somebody is going to cut prices.

The Rowell Liberal Club will meet Thursday evening in York Masonic Hall, Yonge Street. The programme will consist of music and political addresses by some of Ontario's noted speakers.

The North Toronto firemen held their annual banquet last Monday evening. Fire-chief Thompson and a few of the city councillors were present. Chief Murphy was in the chair.

Mr. F. B. Myers, undertaker and embalmer, has purchased residence from Solicitor T. Gibson, and has opened a fine undertaking parlor.

The North Toronto High School Hockey Team journeyed over to West Toronto on Monday night and defeated the fast Humber College team by the score of 5-3. Our boys have not lost a game this season.

Much excitement has been caused over the Richmond Hill Hockey Tournament, and we are expecting to see a few new watches in this vicinity soon.
