THE ARMY WORM

Notify the Department of Agriculture
at Newmarket

The western part of our province,
especially the counties of Brant and
Waterloo, are now being visited by
one of the worst of our insect pests,
the Army Worm. It is so named from
its characteristic habit of marching
straight forward in large numbers,
going over, in preference to around,
anything. It has already rendered
whole fields of grain useless, and is not
yet fully under control. The District
Representatives of the Ontario Depart-
ment of Agriculture are combining to
stamp out the pest, and the local
branch will deem it a great favor if,
upon the first sign of the presence of
the marauders in this county they are
notified at once.

J. C. STECKLEY,
District Representative,
Newmarket.

Thornhill

A very pretty wedding took place in
Trinity Church, Thornhill, on Tuesday
afternoon, July 21st, when Miss Olive
Sarah Rose Bryant became the bride of
Mr. Fredrick George Gingell, of
Finch's Corners, Yonge St. The cere-
mony was performed by the rector,
Rev. S. A. Lawrence. The bride
looked very sweet in a pretty white
dress, with panama hat, and carried a
bouquet of sweet peas. The brides-
maid was her sister, Miss Florrie
Bryant, and groomsman, Mr. Frank
Pickett.

Miss Gertrude Ryan, of Thornhill, is
having a delightful visit at Niagara
Falls and Niagara-on-the-Lake, where
she went to attend the marriage of her
cousin Miss Katie Cunnings.

A House for Laying Hens

A plan of a permanent laying house
for poultry, with brief description and
an estimate of material required for
the house as planned, is contained in
pamphlet No. 5 of the Poultry Division
of the Live Stock Branch of the
Dominion Department of Agriculture.
This plan has been specially prepared
for use in the Province of Prince
Edward Island by W. A. Brown and
T. A. Benson; however, it includes a
number of features, which in the
opinion of the writers, could be advan-
tageously adopted throughout the
greater part of the Dominion of Cana-
da. Copies of this pamphlet may be
obtained free upon application to the
Publications Branch, Department of
Agriculture, Ottawa.

Family Gathering

On Wednesday, July 8, 1914, there
was held at the home of Mrs. Fred
Banks, Markham, eldest daughter of
Mr. and Mrs. I. Walder, a re-union of
all the "Shierk" brothers and sisters
in honour of the late Adam Shierk's
youngest son, Albert Edwin who had
not visited Canada for twelve years.
The relatives spent a very pleasant day
together. In the afternoon they all
went motoring after which ice cream
and refreshments were served on the
lawn. The relatives numbered altogether
fifty-one. It is to be hoped that Al-
bert will not wait for twelve years
again before visiting his old home, as
everyone who knew him was very
glad to meet him after such a long ab-
sence.

Maple

On Saturday last an automobile con-
taining a gentleman and his wife and
daughter, from Toronto turned turtle
when it struck some gravel on the
Teston sideroad. All received a bad
shaking up, the lady having her arm
broken near the shoulder.

A large number of the girl friends
of Miss Minnie Campbell surprised her
with a shower at the home of Mrs. H.
C. Bailey last Friday evening. After
the presentation ice cream and cake
were served.

way on a vacation. Dr. Crews of Toron-
to is looking after the practice here.

Mr. and Mrs. Wm. Thomas are visit-
ing friends in Orillia.

visiting at Mr. H. E. Keffer's.

Mr. and Mrs. C. T. Choate of Cam-
bridge, Mass. and Mrs. Pringle of Buff-
alo N. Y. spent part of last week with
Miss Robinson and called on a number
of friends.

Mr. G. R. Crooks of Hope and Miss
M. Campbell were quietly married in
Toronto on Saturday last, Rev. S. W.
Dean officiating.

The pulpit of St. Andrew's church is
being filled by Rev. Dr. Camichael,
while Rev. S. R. Robinson is away on
his vacation.

Mrs. Wray and little son, of Cold-
water, are visiting at Mr. S. Ireland's.

Real Estate Sales

The William Shunk farm, 4th Con-
cession of Vaughan, between Concord
and Maple, has been sold to Miss
Wilks. The farm consists of 180
acres, and the price paid was \$19,000.

Arthur W. Morgan of Thornhill
sold his farm of 100 acres on Yonge
Street to the Queen City Land Co.
for \$60,000. The farm is in two
parcels of 50 acres each, one parcel
being on the east side of Yonge St.
in Markham township, and the other
on the West side in Vaughan town-
ship. It is the intention of the new
owners to divide the farm into one,
two, three, four and five acre plots and
to restrict the property to high class
country homes. The farm is known
as the Morgan farm and Mr. Morgan
the late owner was born on it.

Messrs. Cook & Gilchrist, executors
for Isaac Gordon estate, recently dis-
posed of the east half of lot 34, 5th
Concession, Vaughan, to Mr. Berwick
Weldrick. This property, consisting
of 100 acres, was sold by auction by
Mr. J. T. Saigeon, the price being
\$5,225. Mr. Weldrick will work this
place in conjunction with his other
farm. The farm is well worth the
money paid.

Church of England

Divine Services in St. Mary's Church,
Anglican, on Sunday next as follows:
Holy Communion 8.30 a.m.; Evening
Prayer and Sermon, 7 o'clock.

Beginning on the first Sunday in
August, there will (D.V.) be Divine
Service in St. Mary's Church every
Sunday morning and evening at 11 a.
m. and 7 p. m. respectively.

The last of the afternoon services to
be held in St. Mary's Church, for some
time to come at least, was marked by
one of the most solemn and impressive
ever held in the Church. The Right
Rev. W. D. Reeve, D. D., assistant
Bishop of Toronto, was present and
conducted a Confirmation Service.
Twelve persons were confirmed, ten of
whom were adults.

The Army Worm

On account of the crops in some
districts being badly attacked by this
pest, it is advisable for every farmer to
be on the lookout and ready to combat
it if it comes his way.

The army worm is about one and
one-half inches long when full grown,
and is striped with black, yellow and
green, of a dingy appearance and much
resembling the cutworm. When de-
tected, all efforts should be centred on
keeping the worms out of crops not
yet attacked. A deep furrow, (several
furrows are better) ploughed around
the fields with the vertical or steep
side of the furrow next to the crop to
be protected, serves as a barrier to
prevent the march of the worms, as
they will not be able to crawl up the
straight side of the furrow. Holes or
pits should be dug in the bottom of the
furrow every ten or twelve feet to
catch the worms as they crawl along
looking for a place to get out. They
can then be destroyed with a blunt
stick or by burning straw over them.

By thoroughly spraying or dusting
a small strip of the crop in advance of
the worms with Paris green, and liber-
ally distributing poisoned bran (mixed
at the rate of fifty pounds bran and
one pound Paris green with enough
molasses and water to sweeten it)
large numbers may be destroyed. A
field so poisoned must not be pastured
until rain has thoroughly washed it.
Whatever is done must be done quick-
ly and at once, for a single day's delay
may often mean the ruin of a valuable
crop.
