War Courage

Many a man in Canada, willing to go a-warring across the seas, is unwilling to fight at home—against the shadowy foes of bad times or of business depression.

This is a time in Canada when Canadian business men should fight—fight to capture new trade and to hold old trade. To stop one's advertising is to withdraw a powerful offensive and defensive force, and to expose one's business without a guard.

If the courage of manufacturers, wholesalers, retailers—the generals and captains of trade and industry—fails the courage of the nation will ebb.

Keep up your courage

Have You a Bath in Your Home?

In most of the homes outside of the cities there is no satisfactory means of taking a bath. It is here where

The Robinson Bath Tub

fills a long felt want. It takes the place of a \$100 bath room. The inside dimensions of the tub are 58 inches long, 25 inches wide and 16 inches deep. It is made of heavy rubber ducking, perfect in construction, and with ordinary care will last from 10 to 15 years. The bottom of the tub rests on the floor. There are no pipes to leak or clog—no plumber's bills to meet, it weighs but 15 pounds, and when not in use can be folded up and placed out of the way. One of the greatest aids to health and happiness is frequent bathing. The Robinson Bath Tub is very convenient in case of sickness in the home. It can be placed beside the sick bed, the patient lifted out, given a good, clean, refreshing bath, and placed back into bed without any excitement or undue effort that might be detrimental. The price of the Robinson Bath Tub is \$10 f.o.b., Toronto. Shipped anywhere on receipt of price.
