RICHMOND HILL, ONT., SEPT. 24, 1914

Dr. C. I. Scofield has transferred the ownership and management of the Bible Correspondence Course, which bears his name to the Moody Bible Institute of Chicago. Its broadening responsibilities, together with its wide-spread oral ministry, were too great a tax on his advancing years, and he felt that the facilities and energy of the Institute would still further extend its usefulness in the world. The course will be conducted on practically the same plan as hitherto, but further information may be had by addressing The Moody Bible Institute, 153 Institute Palace, Chicago, Ill.

## Canada's Strength

**T**WO years or so of stringent times have washed out the fabric of Canadian business some things that were marring the fair sheet of our prosperity—speculation in real estate, excessive personal extravagance, venturesomeness in finance and a tendency to imprudent business expansion. To-day Canada's strength is showing itself unmistakably. We have recovered our self-confidence and courage.

Our business men who advertise owe it to themselves and the times to continue their advertising. Advertisements are declarations of purpose, courage and service. An absence of advertising is an indication of faintheartedness, and of energy in a state of collapse or suspense.

Strength shows itself in action—in advertizing
