

THE EUROPEAN WAR

Despatches this morning are favorable to the Allies. The Germans have suffered crushing defeats.

In order that Toronto may be adequately defended in case of a German invasion the city officials have placed an order for 3,500 Winchester rifles with an American firm, with which the police force and home guard will be armed. In addition, an order has been given for 1,250,000 rounds of ammunition.

Butter wrappers

We have received the following notice from a wholesale firm in Toronto:—Butterpaper is of European manufacture, and has been largely effected in price by the war. While we had any stock on hand purchased previous to the war we sold it at the old price (30 cents a package), but recently that stock was exhausted, and we had to buy it afresh at a greatly increased cost. The best price we have now is 50 cents a package. The price at THE LIBERAL OFFICE for best quality butter paper, neatly printed "Choice Dairy Butter," in best blue ink is 25 cents per hundred sheets.
