The little Christmas Seal will be with us again this year. A new design has just been approved by the Postmaster-General, who agrees to their use but on the back only of all mail matter. The design is appropriate to prevailing conditions showing a little Angel of Peace over the earth and bespeaking goodwill for the Consumptives in need.

Patriotic Teas

In Kingston many young ladies are giving unique patriotic afternoon teas. Each young lady invited is expected to bring whatever article she may be making for the Patriotic Society. The hostess only serves very light simple refreshments consisting of sandwiches cake and tea. For this each guest pays ten cents, which is passed on to the Treasurer of the Patriotic fund. The social enjoyment is greater than at the ordinary afternoon tea, for one has the satisfaction of feeling one is doing something worthy. We wonder if the Richmond Hill young ladies, and older ones could not emulate this worthy example. It would make the Social activities of the coming season very praiseworthy.

Immediately after the ceremony the happy couple left for a trip north, and on their return will reside at 65 Edwin Avenue.
