With the advent of deep snow, snow-shoeing has become quite a popular pastime. Several snow-shoe parties have recently been enjoyed by the young people.

A recent visit to The Summit Golf and Country Club located at the northern end of our village impresses one with the suitability of the location this club has secured. The Club grounds consist of about three hundred acres of rolling land with a frontage of about forty rods on Yonge street and extending to the second concession of Markham. Under the efficient management of The resident foreman, Mr. John Gorman, an admirable course has been laid out, sodded and equipped with an elaborate water system for keeping the grass in good condition. Former swamps have disappeared and in their places are smooth stretches of level land. Ornamental and shade trees have been preserved wherever possible. Upon completion of the new club house, this should be one of the best golf courses in America.

Oak Ridges

On the 30th December the annual meeting of the ratepayers of U. S. S. No. 1 King and Whitechurch was held in the school house at Oak Ridges, and a large number of ratepayers were present, with John Monkman in the chair. The report of the board of trustees was received with a great deal of satisfaction. Commencing the year with a deficit of \$300, debentures for \$12000 were issued to provide a building fund for the new school, which is up-to-date in every respect and will be ready for occupation within a month. The year closes with a net surplus of over \$2500. The ratepayers expressed their gratification at the splendid work done by the board this year. The trustees for next year are:—W. F. Carter, Wm. T. Hulme and John H. C. Durham.
