Mr. John Sheardown is the latest of our citizens to get a car. It is a Ford, and was purchased from Mr. G. A. M. Davison, the agent at Unionville.

Wm. Henry, Esq., Mayor of Edmonton, Alta., on his return from a business trip to Ottawa, made a call just Sunday on this uncle, Mr. Wm. Harrison of our town.

"When the cat's away the mice will play!" That's what the trio must have thought last Sunday when they took the joy ride to Maple. The Ford car is just the thing.

Clark, east end of Gorham street, Newmarket, on Saturday, June 5, at 1:30 p.m. Local bee keepers including ladies are invited to be present. A suggestion is made that all bring bee veils.

Ratepayers Meeting

At a meeting of the Ratepayers Association in the Council Chamber last evening, Mr. McCready of the Gaelph Agricultural College gave an address, in which he strongly recommended the study of Agriculture in our High and Public schools. Mr. Davidson, Principal, suggested that Agriculture take the place of Art in the H.S. curriculum, the latter now being compulsory. On motion of Messrs. Pugsley and Cowie, Mr. McCready was tendered a vote of thanks for his address.

Sanderson—Tyndall—That this ratepayers association express its approval of the introduction of Agriculture, and request the Board of Education to take the necessary steps to have the subject taught.—Carried

The question of water works was afterwards taken up, but nothing definite was laid before the meeting.

An Up-To-Date Grocery

Mr. W. C. Savage, the Lorne Block grocer, is bound to serve his customers with pure and wholesome eatables. To insure clean groceries he has placed in his store a new sanitary counter which furnishes absolute protection to his goods. Sample drawers are arranged so that customers can see exactly the kind of goods they are buying. He is also having a new hardwood floor, and the woodwork is newly painted and grained. Mr. Savage invites inspection. Electrically lighted he certainly has a very pretty grocery store.

Presbyterian Church

Subjects Sunday, June 6th: 11 a.m.: Will God reward every man according to his work? Rom. II. 7 p.m.: Is the time coming when there shall be no more War? Isa. II. Mrs. Woodrow of Richmond street, who has been known to this congregation only as a patient Christian sufferer passed home last Friday evening. The funeral which was to Aurora was very largely attended by old friends from her former residence as well as by her brothers and other relatives.

Mr. Robert Cox of Thornhill passed to his rest last Saturday morning. Mr. Cox had been an esteemed elder of our church for many years, had for many years been treasurer, and for nearly 20 years Sunday School Superintendent. His life in Church and home and all other relations was one of exceptional virtue; a real Christian in his kindness and thoughtfulness for others and on the simple rectitude of his character he leaves an influence that will long be felt.

Red Cross Meeting

A meeting of the women and girls of Richmond Hill and vicinity, will be held in the Forester's Hall, Monday afternoon, June 7, at four o'clock, for the purpose of discussing plans for Red Cross work. It is hoped that all the women and girls of the neighborhood who are interested in this work will come to this meeting.

Methodist Church

A meeting of the whole congregation will be held in the school room of the church next Monday evening. Reports from the treasurer, the Sunday School, the W.M.S., Epworth League, Ladies Aid and other branches of the church will be read, and the mite boxes will be opened. Refreshments will be provided by the ladies of the congregation. All members of the congregation will be made welcome.

Alumnae Association

The regular June meeting of the Alumnae will be held on Friday, June 4th, at 4 o'clock sharp, in the High School. Papers on Sir Joshua Reynolds and Sir Edwin Landseer will be given by Miss Campbell and Miss Mary Trench. Reports on our work for the Red Cross, up to date, will be read. Afternoon tea will be served and a most enjoyable time is promised. Members are urged to be present and to each bring a friend.

Card of Thanks

Mr. Joseph Woodrow and family desire to express their sincere thanks to neighbors and friends whose kindness and assistance knew no bounds during the illness and death of the wife and mother. It is hard to part with those whom we love, but the pain is lessened as we remember the kindness of those who have done so much to comfort our precious dead, before passing away from this world below.

June Canadian

A number of strong features are found in the Canadian Magazine for June. "The Fear of Russia," by Prof. A. W. Crawford, shows that after the war we have more to hope for from Russia than we could have from Germany. Prof. R. A. Macnaughten gives a most interesting personal reminiscence of Admiral Jellicoe, and Prof. D. Fraser Harris outlines the influence that Italy has had on British life and thought. John Lewis reviews the famous trial of the Hon. George Brown for contempt of Court. Mr. Newton McTavish contributes a character sketch of George Ham, the "most popular man in the Dominion." There are six excellent short stories.

The meetings are open to anyone who is interested in gardening.

The sale of plants, rose bushes etc., and afternoon tea on May 24th, was very much enjoyed by all those who attended. We wish to thank all the friends of the Society who so generously contributed to its success by giving for the sale, and also those who contributed provisions for the tea. The proceeds will be devoted to Red Cross work.

These supplies are the result of the Towel Shower, held a few weeks ago, and the members of the Association are very much gratified with the response to their appeal. The Red Cross Tent on the Fair Grounds on Victoria Day, under the auspices of the Alumnae was a splendid success. Refreshments were served all day, and the home-made candy, ice cream and flowers were much in demand. The net proceeds amounted to \$136 after paying all expenses.
