The most regrettable news which has come to hand this week is the sinking of the Royal Edward, a British transport, and the loss of 1,000 lives in the Aegean Sea. The ship belonged to the Canadian Northern fleet, and was sunk by a submarine on her way to the Dardanelles.

"Positively no sitting on these steps." Is it not surprising that store-keepers are compelled to put up a "notice" similar to the above in order that customers may be able to enter their places of business? Certain men who helped to block the doorway should feel they have been justly rebuked.

Mr. Heeley who enlisted some time ago, and had been drilling at Barriefield Camp, Kingston, is home for a few weeks on his little farm at Elgin Mills. By request of Captain Hickman at the drill Friday evening Mr. Heeley took charge of the Home Guard, and gave the boys some pointers in the way of handling their rifles.

Resolution of Sympathy

By request of the officers and members of Richmond Lodge, No. 23, A.F. & A.M., the following resolution of sympathy has been sent to the family of the late Francis McConaghy:—

Dear Friends,—
While you mourn the loss of a kind and affectionate father, we desire to acknowledge our esteem and respect for our brother who has recently been called away. For many years we enjoyed his fellowship in the lodge room, and although his life was spared beyond the allotted time of man, we could not keep back a feeling of loneliness as we stood around the open grave and dropped on the casket our sprig of evergreen, knowing that never again could we see him with mortal eyes, nor ever again hold converse with him in this world.

On every hand are mementoes of morality, friend after friend departs, yet we seem to forget we are born to die. May we not all profit by the many reminders that life is short, and that we are fast travelling to another world.

As brethren of your honored father, we extend our sincere sympathy to you, and hope and trust you may find comfort and happiness even in your lonely hours.

On behalf of Richmond Lodge
