## TORONTO LETTER

"Service" has been adopted as the motto of the Liberal Club Federation of Ontario and many compliments have been given the organization for its choice of a slogan. The Toronto Star, for example, in an editorial on the question, says:—"As an optimistic sign of the times, the motto of the Liberal Club Federation of Ontario, 'Service,' is significant. It marks a real development in political ideals and in a definite, vivid way summarizes graphically what may be called the 'renaissance of idealism' in politics."

The Liberal Club Federation of Ontario, from its inception two and a half years ago has been a promising and often an inspiring organization. Its adoption of "Service" as a motto is consistent not only with its prospects but with its history. The Federation has a splendid record of actual enlistments for the front from its officers and members. Those who for various reasons cannot serve with the colors at present are evidently determined that through their organization they will do their share in various kinds of patriotic endeavors and activities.

The Federation at present is holding a series of conferences to discuss further means of assisting in enterprises connected with the war. Within the last week conferences have been held in Hamilton and London for Central and Western Ontario respectively, and similar conferences are planned for Belleville and the County of Dundas.

## Presbyterian Church

The minister will preach at both services next Sunday. The Sacrament of the Lord's Supper will be administered at the morning service. Preparatory Service will be held on Friday evening when Rev. Mr. Robinson of Maple will preach.

The members of the Women's Missionary Society are getting in touch with their neighbors these days. Last week a good number were down to Thornhill Thank-offering meeting; this week a number drove over to Maple to be present and take part in the meeting there. Such visits are not only neighborly but mutually encouraging and instructive.

The Young People's Society meet this Thursday evening at the manse. Miss Alice McNair will give a paper on Browning's poem "Andrea del Sarto." Solos will be sung by Mr. Ken. Osborne and Miss Carol Innes.

Economist and Sun.—When the old jail of the City and County becomes empty of prisoners in a few days, by their transfer to the Jail Farm near Thornhill, the present officials will lose their jobs, or at least will not draw pay from the county and city, viz:—Rev. A. B. Chambers, governor, salary, \$2,200; Dr. W. T. Parry, physician, \$1,500; John McMillan, steward, \$3,700; John Wilson, deputy-governor, \$1,350; John Brown, engineer, \$1,100; John Lowery, turnkey, \$950, and 15 others with salaries of \$950 each.
