### Cottage Burned

That neat little dwelling in the Thornhill hollow, opposite the Mineral Springs, was burned to the ground about 5 o'clock Sunday morning, with all its contents. The property formerly belonged to Mr. Ivan Wright who beautified the grounds, and converted the former house into a beautiful little home. The property was recently purchased by Lawyer Watson as a residence for his chauffeur.

### Good Time

Tuesday afternoon a member of the Board of Education invited three or four citizens to look through the new Public School building. As fire drill is practised in all the departments the trustee pressed the fire alarm button, and at once the pupils in the five rooms came out in twos, marching as coolly as a company of soldiers in their regular drill. Mr. Jerry Smith took the time from the moment the button was touched till the children were safely outside. Time 45 seconds.

### Scottish Dancing

We noticed in the Toronto daily papers of last Friday morning the account of the "Annual Scotch Concert" in Massey Hall. Great comment was made on the dancing of Miss Geraldine E. Harris and Master Bert Powell, this being their first appearance in Massey Hall. By all accounts they captivated the hearts of the vast audience. Master Bert is the son of Mr. W. L. Powell formerly of Richmond Hill, and by the account given he has few equals at Scottish dancing in Toronto.
