Seed Fair

The annual Seed Fair in connection with the Richmond Hill Agricultural Society will be held in the Lorne Hall, Saturday, the 12th of February. First and second prizes of \$3.00 and \$2.00, respectively, will be given for Spring Wheat, Barley, Oats, Peas, Clover Seed, Timothy Seed, Alfalfa and Potatoes. Each exhibitor must be a member of the Society for 1916. The membership fee is \$1.00. Addresses will be given by a representative of the Ontario Department of Agriculture, and others. For particulars see bills.

Rod and Gun

Bonnycastle Dale contributes the leading article to the February issue of Rod and Gun in Canada, published by W. J. Taylor, Limited, Woodstock, Ont., writing with his usual skill on observations which he has made of wild animals in British Columbia. "The Home Trail" is the tale of a heart breaking trek to Oxford House and is related by R. J. Fraser. E. V. Williams contributes a story, "The Ranger's Friend," and a cover design illustrating the story, which portrays a fight to the death between a moose and a pack of wolves. The regular departments are well maintained and the number as a whole an attractive one particularly to sportsmen and lovers of out-door life in its various phases.

DAIRYMEN and
STOCK RAISERS

REASONS WHY IDEAL STOCK
FOOD SHOULD MERIT YOUR
CONFIDENCE

1. It is guaranteed free from poisonous drugs, and has the highest Dominion Government Analysis of any Stock Food on the market.

2. It has no equal for the production of butter fat and greatly increases the flow of milk, besides keeping your cows in a healthy condition. It is good for any animal. Nothing like it for pigs, its use will keep them free from indigestion, and are ready earlier for the market when you use IDEAL STOCK FOOD.

3. If your Grocer provided you with foods etc., containing poison would you buy them for your families use if, you knew they contained poison. No! Then why feed your animals stock foods containing poison, when harm can only result. If you will write to the Inland Revenue Department, Ottawa, and ask for Bulletin No. 282 and 296, you will then see for yourselves what the Government says regarding poison. If you do this it will pay you, besides you will see what some stock foods contain.

Try our poultry food; its as good as our stock, and stands up the same equality for pureness and good results.

Our IDEAL CALF CREAM is good. Calves can be raised by its use, with or without milk, by following our directions. It is made out of pure healthy ingredients, being free from poisonous drugs, and is so scientifically put together that calves make headway in quicktime, and the fact that we are continually in receipt of repeated orders from our many customers is proof positive that we have something good for you. Try these foods. They are for sale by Messrs. ROSE & McMILLAN, Maple, Ontario, and are manufactured by the IDEAL STOCK & POULTRY FOOD CO., Burlington, Ont. 30 4
