**Ratepayers' Meeting**  
All good citizens are expected to attend a meeting of the Ratepayers Association in the Council Chamber next Monday evening at 8 o'clock. The committee appointed at the last meeting will hand in its report as to the advisability of buying the Crosby property for a Fire Hall, etc.

**York County Battalion**  
Lieut. Flood reports that recruiting is moving steadily along, and that the 127th battalion now has over 700 men. Aurora has done remarkably well in recruiting, and a Field Kitchen is among the probabilities. In Newmarket there are over 90 enrolled, and the Davis Leather Co. alone have promised \$2,700 for band instruments and other equipment.

**Presbyterian Church**  
Sunday, Feb. 13, Rev. R. M. Dickey of Toronto will preach at both services. The young people will have a social evening at the Manse, Thursday, at 8 p. m.

**The Call to Business**  
The commercial interests of Canada have so far been more disturbed than farming from enlistment. Business firms are calling for assistance from the younger men and from the women who must train for positions in Banks and Business offices. The demand is keener than ever before and good positions are easily obtained by those who are qualified more especially as Stenographers.

**Sudden Death**  
The deepest sympathy is felt for Mr. L. B. Stong and children in the sudden death of the wife and mother who was suddenly called away Monday morning, leaving a little baby two days old. Deceased seemed to be doing nicely until Sunday night, when pneumonia developed. Monday morning about 6 o'clock the nurse observed that a change had taken place, and hurriedly summoned the Doctor, but the patient died a few minutes after his arrival. Yesterday afternoon an impressive service was conducted by Rev. J. R. Aikenhead, after which the remains were laid to rest in the Village Cemetery.

**R. B. Teefy Bank President**  
We are pleased to observe in a recent edition of The Evening Mail of Stockton, California, that Mr. R. B. Teefy, son of the late Matthew Teefy Esq. of this village, has been appointed President of the San Joaquin Valley Bank, recently reorganized as a National Institution. After attending the Richmond Hill Public and High School Baldwin took a position in the Office of the Patterson Agricultural Works, 1 1/2 miles west of this place, and later went to Toronto, and afterwards to the U. S. He had been secretary and cashier in the bank at Stockton for a number of years previous to his promotion as President. We are sure that scores of old friends in this place will be pleased to learn of his promotion.

In giving an account of the re-organized institution the mail thus refers to Mr. Teefy:—"Mr. R. B. Teefy, the new president, has served as cashier of the bank since April 1, 1917, and his splendid service of the years past merits his promotion to this new office of high responsibility. Mr. Teefy is recognized throughout the west as one of the greatest financiers in active business today. He is one of the most popular men in the valley, because notwithstanding that his time is never his own, he is always courteous and hospitable."

**Concerning Horticulture**

W. H. WATSON, Secretary.

**Ontario Plowmen's Association**

Lockie Wilson, Toronto; Directors—James McLean, Richmond Hill; W. C. Barrie, Galt; L. Smith, Milbrook; J. H. Garbutt, Peterboro; J. Lee, Orillia; W. Orr, Berlin; F. Weir, Agincourt; E. Maw, Minesing; T. H. Legge, Temperanceville; Dr. Hanna, Perth; W. A. Dickieson, Rockwood; A. B. Wells, King; W. G. Clark, Hagersville. It was decided to hold the next Provincial Plowing Match on the farm of R. J. Fleming, near Whitby.

**Receive Paper at P. O.**  
There have been so many complaints recently from our Village subscribers where our "news boy" leaves The Liberal at their doors every Thursday, that we feel inclined to dispense with the services of that time honored member of our staff. The day may be windy, and consequently the paper is blown away; possibly some person comes along and picks up the paper by mistake. Many other reasons could be given. At any rate a number of our subscribers say they frequently miss their paper. Our village is growing, and consequently the news-boy has a wide territory to cover. After this week we shall ask our village subscribers to receive The Liberal at the Post Office. We trust the new arrangement will prove satisfactory.

**Red Cross News**  
The regular meeting of the Red Cross Auxiliary will be held Monday next (14th) at the usual time and place. Arrangements have been completed for the meeting in the Masonic Hall on Wednesday evening, Feb. 16th, at 8 o'clock, to be addressed by Surgeon-General Ryerson. It is hoped everyone will avail themselves of this opportunity. The members of the Girls Branch wish to extend thanks to all those who so kindly helped to make their Skating Party a success, especially the Band and our soldiers. Their meeting will be held as usual on Saturday of this week. The day of meeting for the Girls' Branch will be changed to Tuesday, commencing with Tuesday the 15th at four o'clock sharp.
