WHAT MR. ROWELL SAID AT THE LIBERAL CONVENTION

"The issue has more than local significance. Peel County is the first constituency in the Dominion that has been afforded the opportunity of passing upon the question of war profiteering by Members of Parliament and the Legislatures, and therefore the judgment of the electors of Peel on this issue is of provincial and national moment and will be watched by all the constituencies throughout the Dominion of Canada. I am confident that the electors of Peel will stand for clean, honest, disinterested public service in this hour of crisis."

Mr. Hearst wrote a letter to Mr. Fallis which, whether rightly or wrongly is being used by him and his heelers as evidence that Mr. Hearst is satisfied with Fallis as a candidate.

Hon. Mr. Hanna, the Acting-Premier said: "I would say no one has altered the high opinion previously held of Mr. Fallis."

Toronto World (Con) Feb. 5, 1916: "Should he be re-elected that will be the end of any attempt to better political life in Canada. If he comes back De Witt Foster will come back to the Commons from Nova Scotia, and Mr. Galand from Carlton; and Sir Robert Borden and the whole Conservative party will be that much discredited."

Toronto News (Con) Dec. 7, 1915: "Horse trading in time of war, which robs the country, is an offence which even with all the traditions in its favor cannot be overlooked. Moreover, when a representative of the people fills his pockets by dishonest methods he proves himself unworthy of public confidence and unfit for public position."

Hamilton Herald (Ind-Con.): "J. R. Fallis, M.L.A. for Peel has presented to the Peel Overseas Battalion the money he made on the horse deals which Commissioner Davidson condemned, and the Executive of the Peel Conservative Association has officially vindicated Mr. Fallis. It won't do. The offence shows through the whitewash."

Toronto Star: "The party convention in Peel which nominated Mr. J. R. Fallis to be returned to the seat in the Legislature from which he resigned after the enquiry before Judge Davidson had revealed the nature of his dealings in connection with the purchase of army horses, did a poor day's work for the country."

Guelph Mercury: "Mr. Fallis would have done much better to have quietly dropped out of public life. When a country is facing the greatest crisis in its history, the demand is for big men at the head of affairs. Mr.

Fallis has demonstrated, in a rather painful manner, that he is not of this type."

IS IT FAIR ?

It is not surprising that certain of our citizens complain that they were almost "smoked out" at the meeting of the Ratepayers Association Monday evening. To say the least it looks selfish on the part of smokers to indulge in that pastime at public meetings, when it is known that smoking is objectionable to some people. Of course those who object to take things as they find them have the option of staying away. But every ratepayer, including ladies, has the right to be present when matters of importance to the village are to be discussed. We believe that at all public meetings the presiding officer would be justified in requesting that there be no smoking.

Presbyterian Church

Sunday, Feb. 20, the minister will preach at both services.

The Young People's Society hold a literary evening, Thursday, 8 p.m.

Thornhill re-opening services were largely attended last Sunday. Many old friends from long distances were present for the day. Three sermons of remarkable power were given by Dr. Robertson, Dr. Stenhouse and Dr. Law. It was a good memorable day in the history of the Church. The collections for the day totalled \$726. Thornhill people have now a church quite up-to-date, both beautiful and comfortable.
