

The Liberal

RICHMOND HILL, ONT., Mch. 23, 1916

Mrs. Sloan and Mrs. Harvey will be at home Wednesday, March 29th from three to six.

A robin was seen in Richmond Hill Monday morning. He certainly got a cool reception.

Mr. Alvin Baker of Kindersley, Sask., visited this week with friends at Victoria Square and Gormley.

Mr. Jonathan Winger and sister, Lena, left Monday evening for Kindersley, Sask., via Canadian Northern all the way.

At the annual meeting of the West York Liberal Association the following officers were elected:—President, Dr. Serson, Mimico; Vice-Pres., Charles Irwin; Secy.-Treas., James C. Culnan.

Qr. S-rgt. W. Patton made a short visit at his home yesterday and called on as many friends as his short time would permit, previous to sailing for overseas service.

Four rinks of the Curling Club went to the city yesterday afternoon, and matches were played with The Lakeviews afternoon and evening. The home rinks were successful by a few points.

Captain N. King Wilson of the Imperial Army Medical Service, son of Dr. W. J. Wilson of 380 West Bloor St., Toronto, is in London on short leave, after ten months in Gallipoli and the Near East.

Shaw's Business Schools, Toronto, are recruiting Young Women in particular to train for the ranks in Business Life. The demand for Stenographers and Office Assistants was never so keen. These schools do not close during the summer months.

Monday's Globe states that Mr. J. M. Walton, banker at Aurora, leaves this week for Vegreville, Alta., where he will put a 1,000 acre farm under cultivation before his return. Three carloads of settlers' effects will go with Mr. Walton.

Two rinks from the Lakeview Curling Club came up Monday and played games with the local rinks afternoon and evening. The home teams won in the afternoon, but the visitors were ahead three points in the evening.

Always Free

Yesterday's World in referring to Mrs. Maxwell's 111th birthday, which was fittingly celebrated on the 10th of March, says that the subject of the article was "born in slavery." That is an error. Our esteemed citizen never was a slave. She was freeborn in Pennsylvania, and came to this country with her husband just previous to the American Civil War which began in 1861.

LIEUT. COLONEL B. H. BROWN
IN COMMAND OF THE 220TH YORK RANGERS' OVERSEAS BATTALION
C. E. F.

Lt. Col. Brown, who was second in command of the 127th York Rangers' Overseas Battalion, has, on the recommendation of Brigadier-General Legie, received authorization from Ottawa to form another Battalion of the 127th York Rangers for overseas service. This Battalion will start active recruiting as soon as the 127th Battalion, which is almost up to strength, has been completed.

Lt. Col. B. H. Brown is the eldest son of Lt. Col. F. W. Brown, and succeeded his father in command of "F" Company, 12th Regiment, Dec. 14, 1907, and was promoted to Lt. Col. July 12, 1915. Lt. Col. Brown has over sixteen years' service to his credit in the 12th Regiment and has attended every annual training during that time, with the exception of the "Skeleton Camp" some years ago. He has taken great interest in rifle shooting, his company team having won the Regimental Shield five years in succession.

Having acted as Adjutant of the Regiment previous to taking over duties on the overseas battalion, he was instrumental in raising the numerous quota from the Regiment to various overseas battalions.

Lt. Col. Brown is President of the College Press, Limited; a member of the Canadian Manufacturers' Association; the Graphic Arts; Board of Trade; and is connected with many fraternal organizations, being Past President of Lodge Surrey, S.O.E.B.S.; Past Master Seaton Lodge, A.O.U.W.; member of Stevenson Lodge, No. 218, A.F. & A.M., and Court Ivanhoe, C.O.F. He is also a member of College Street Presbyterian Church.

Lt. Col. Brown's brother, Capt. F. F. M. Brown, who was in command of "G" Company, 12th Regiment, and Secretary-Treasurer of the College Press, Limited, is serving on the staff of the 35th Overseas Battalion.

Red Cross News

The Red Cross Auxiliary made a shipment to the Canadian Red Cross Society last week as follows:

72 Flannel shirts.
15 Surgical shirts.
47 Sheets.
123 Pillow cases.
13 Doz. pairs socks.

The Girls' Branch donating the Surgical Supplies:

3384 Small pads.
636 Large pads.
2000 Gauze wipes.
216 Bandages.

The Secretary has received a receipt from the Canadian Red Cross, and the following note: "I would ask you to convey to the workers the hearty thanks of this Society for this welcome contribution, and to assure them that their interest and co-operation is very much appreciated."

The Red Cross Auxiliary wish to thank the children represented in the Empire League for their contribution of thirty-five dollars, the proceeds of their concert of March 15th. The children deserve great credit, as also do those who so ably trained them. The Auxiliary thanks the children most heartily for their contribution and their interest.

The Auxiliary decided at its last meeting to ask every resident in Richmond Hill to make a monthly contribution for Red Cross work. There are many women and girls in our village who are sewing, knitting and making surgical supplies, and a good deal of money is required to buy the necessary materials. Last year the required money was raised by a series of entertainments, for which the people were asked many times to contribute. It is thought that it would be much easier and better to ask a regular monthly contribution from every resident.

Mr. Dyke's Lecture

Sunday evening after the church services Rev. J. H. Dyke, field secretary of the Muskoka Sanitarium Association, gave a lecture in the Masonic Hall on Tuberculosis. The lecturer demonstrated the slow and deadly nature of the progress of disease in the cells of the lung. He emphasized the importance of early diagnosis and pointed out that many jeopardized their recovery by delay. He described the work of Muskoka Free Hospital, indicated how few patients contributed anything to their maintenance and the very many who paid nothing at all. Many methods of prevention were suggested which all could practise. The lecturer presented the whole situation in Ontario in a way most interesting and instructive to the audience. The meeting closed with the National anthem.
