## Rod and Gun

March Rod and Gun has an interesting table of contents for the lover of outdoor life. Bonnycastle Dale contributes the leading article on "The New Sport for the Spring Duck Shooter"; F. V. Williams writes of "Jim's Fox"; R. J. Fraser of "The Men who can't come back." Norman Lett describes a "Three Weeks' Canoe Trip in Algonquin Park"; and E. O. Perrin contributes the story of "Blanchard's Trap," the hero in which sets out to capture a bear and succeeds in landing an even more valuable and quite unexpected prize. There are other stories as good as these and besides the regular departments devoted to Guns and Ammunition, Fishing Notes, The Trap, The Kennel, etc., are calculated to attract sportsmen who are interested in matters of this kind. Rod and Gun is published by W. J. Taylor, Woodstock, Ontario.

## FOR SALE

Property known as "Grand Central Block." First-class location on Yonge St. Richmond Hill. Part of building lately occupied by Standard Bank contains first-class vault. The building is three stories with cellar basement, and suitable for any purpose. If required, good-will of a twenty-year well paying implement and repair business goes with property.

Mr. H. A. Nicholls's, Real Estate Agent, has several beautiful lots for sale on Richmond Street, a very short distance from Yonge; also some elegant lots on Wright street. If you want a nice residential lot at a nominal price now is your chance.

Several good farms—one in Vaughan near Richmond Hill, a first-class farm at Victoria Square, a good farm in Markham near Yonge Street.

A small farm adjoining the village of Richmond Hill can be bought now at a price that will pay to hold for SPECULATIVE PURPOSES.

Solid brick house on Church St. south, Richmond Hill. Several \$1000 lots to loan on first mortgage.

H. A. Nicholls

Made in Canada WALL PAPERS

HAVING SECURED THE AGENCY for the Celebrated Empire Wall Paper Company, Toronto, we are prepared to show samples of paper never seen before and for less money than can be purchased anywhere in Toronto. These are the patent, self-trimmed papers—no trimming to do which saves much time—and are edged to the 1000 part of an inch, which makes matching easy and will aid in people doing their own papering. See our samples, take the size of your room, and we will see you have no waste. Wall, ceiling and borders all to match. Ask to see our Sample Book, take it home and look them over, and all the family will be pleased to have said they helped to select this paper.
