

The Liberal

RICHMOND HILL, ONT., JUNE 1, 1916
Thornhill

The monthly meeting of the Horticultural Society will be held in Victoria Hall on Tuesday, June the sixth. Mr. David James will speak on "Our Bird Friends." Mr. James takes a great interest in the birds and he will be able to tell us how they help the interests of the horticulturist. A special invitation is given to the children. Mr. James wants a number of boys to help him with this talk.

The sale of rose bushes and plants on Victoria Day was quite a success. The generous contributions of Mr. Danlop, Mr. Banks and other friends were greatly appreciated. The money to be given for Red Cross purpose will be about ninety dollars.

Victoria Square

Anniversary Services in connection with the S. S. will be held on June 17 and 18.

Last Friday evening was so good night at the League. The ladies furnished the program and the boys the lunch. There was quite an interesting time.

Miss Jarvis and Mr. Brush of Toronto who were visiting with Miss M. Wilson sang twice at the afternoon service Sunday. Their singing was excellent.

Rev. J. F. Hickson, who was one of our boys, has for the past year or so been in connection with this circuit and has performed his duties very acceptably, will, we understand, be eligible for appointment as head of a circuit. We feel confident that to whatever appointment our friend Foster may go he will perform his duties faithfully in accordance with his high calling. We wish him every success.

Neighborhood Improvement Begins at Home

A good neighborhood is merely a collection of good homes. Stop wishing for a better neighborhood—do your duty by painting your home, and planting grass and flowers. Your example will set your neighbors thinking. Before you realize it the home improvement idea will be sweeping through the whole community. Set the home improvement example in your neighborhood, by painting your house with

Low Brothers HIGH STANDARD LIQUID PAINT

You can always depend upon "High Standard" paint for best results because it is scientifically made of chemically tested ingredients, blended together by the most efficient machinery. It holds tight to the wood in perfectly protecting coats—keeps its color—withstands sun, wind and wet for years—fades only by gradual wear—and leaves a good surface for repainting. It's economy to use this better paint. Your painter can put it on in less time. It goes so much farther and lasts so much longer.

While the house and its surroundings are being beautified, improve the inside, too. For the walls and ceiling use

Low Brothers Mellotone

Colors are "soft as the rainbow tints." It delights as well as rests the eyes. It is wonderfully durable as well as artistic. Mellotone is fadeless and washable—not easily scratched or marred.

Ask for color cards and estimates for home improvement
