The sixth annual picnic of the Toronto & York Radial Railway employees was held in Bond Lake Park last Thursday. The weather was ideal and the programme was interesting and exciting from beginning to end. Mr. Wilson, Mr. Livingston and other officials assisted Mr. Reg. Petch, secretary of committee, in running off the programme of games, and everything went off like clockwork. There were 25 numbers on the programme, including boys' races, girls' races, men's and women's races, tug-of-war, wheelbarrow race, blind pig race, sack race, obstacle race, ladies' ball-throwing contest, etc.

In the evening a moving picture entertainment was given, and this was followed by a dance in the pavilion.

**Notice**

I respectfully notify the public that I have bought the Fuel business heretofore carried on by Mr. John Sheardown.

I will try and continue that business by handling only the best lines of Coal and Wood, and I expect to add to these, Brick and Tile and similar lines, just as soon as I can get properly squared away and started.

Only by selling a good article and by clean and prompt business methods can I hope to secure my share of your patronage.

I will build a new office near the C.N.O. which I hope to occupy by July 15th.

This adv. is only a starter.
