Made in Canada WALL PAPERS

HAVING SECURED THE AGENCY for the Celebrated Empire Wall Paper Company, Toronto, we are prepared to show samples of paper never seen before and for less money than can be purchased anywhere in Toronto. These are the patent, self-trimmed papers—no trimming to do which saves much time—and are edged to the 1000 part of an inch, which makes matching easy and will aid in people doing their own papering. See our samples, take the size of your room, and we will see you have no waste. Wall, ceiling and borders all to match. Ask to see our Sample Book, take it home and look them over, and all the family will be pleased to have said they helped to select this paper.

Ball Bearing Washer operates on an entirely new principle, which means the forcing of the boiling hot suds through every mesh and fibre of the clothes, in a perfect cataract, thus eliminating the rubbing that is so wearing on the fabrics. Strongly built, but easy to operate as the tub swings on ball bearings that carry the weight and work smoothly.

Help to Win the War

Those who cannot go to the Front can help in the most practical way by saving their money and placing it at the disposal of the Government to assist in financing the war.

As an incentive to thrift and greater national saving, the Government of Canada has created an issue of War Savings Certificates, in order that all who are desirous of helping financially, may have the opportunity of doing so.

The certificates, which mature in three years, are issued in denominations of \$25.00, \$50.00 and \$100.00, and may be bought at any Bank or Money Order Post Office. The prices are \$21.50, \$43.00 and \$86.00 respectively—that is to say for every \$21.50 lent to the Government now, \$25.00 will be returned at the end of three years. The discount of \$3.50 constitutes a most attractive interest return.

Provision is made whereby the certificates may be surrendered at any time during the first twelve months at their purchase price, after twelve months, but within twenty-four months, at \$22.25, and after twenty-four months, but within thirty-six months, at \$23.25 for every \$21.50 paid. This means that the longer the certificates are held the higher the rate of interest that will be obtained.

For full information apply at any Bank or Money Order Post Office.

Red Cross Notes

The Auxiliary have had acknowledgments of Xmas boxes from Ptes. Hughes and Ransom this week.

The collectors of monthly contributions are reminded that the January contributions are now due.

Acknowledgments from Thornhill Soldiers.

The Ladies of Thornhill have received acknowledgments of boxes sent by them from the following: Sgt. J. Scott, Bernard Day, C. L. Dawson, Lionel C. Wood, Norman Francis, A. and C. Tomlinson, T. and F. Collins, A. Firman, E. Carter, Eric James, G. W. Langstaff, W. Clapham, Gannet Crann, J. M. Boston, B. J. Ainsworth, R. Richards, B. Youngman, W. Breakey, F. Simpson, H. Luesby and F. Page. How these boxes are appreciated, some extracts from letters will show.

One writing from an English Hospital says: "I must ask you to thank the Ladies of Thornhill and Girls Ever-Ready Club for their kindness in sending me such a lovely parcel of comforts; I really think they must have had an old soldier helping to make the parcels up for they contain just the things a soldier craves for, and I can imagine the boys in the front line who receive such a parcel of comforts showering all kinds of good wishes on the heads of the Ladies who sent them."

Another writes: "A great lump of gratitude came into my throat tonight when I opened the parcel of Xmas gifts sent from the women of Thornhill and I hardly know how to express my thanks to them for their thoughtfulness to me, and when I say I thank you from the bottom of my heart, it seems shallow words for so grand a gift. Those at home in Canada little know what a parcel like this means to us here, and it seems as though it is a little bit of heaven coming into the hut."

Another writing from France tells of his pleasures in receiving the box, and especially the Maple Leaves, one of which he had given to each member of the Company, and which they were proudly wearing in their caps.
