Farmer members of the legislature are pleased that the House is opening this year on the 13th of February, at least two weeks earlier than last year. Towards the end of each session, although so much important business comes at the end, due to delay at the beginning, members get restless. The farmer members particularly want to get back to their farms to do their Spring work.

Farmers Holding Auction Sales

Kindly note that I have entered into a local partnership with COL. LONG, Canada's foremost Farm and Pedigreed Stock Auctioneer.

W. H. Bruce, importer and breeder of Clydesdale, says: "Col. Long is one of the world's best auctioneers."

The Auctioneers' Journal says: "He has given to the world its greatest auctioneer work."

Is it not reasonable that such an auctioneer—with his experience; with his knowledge of stock, of values, of HOW TO GET BIDS—can get you more for your stock and effects.
