Steckley, Government representative in the Department of Agriculture. Mr. R. Watson presided. Several good papers were read at the morning session, and in the afternoon it was decided to hold a picnic at Centre Island, Toronto, during the coming summer.

The judges were Mr. Bell of the Ont. Dept. of Agriculture, Rev. R. McKee and Mr. T. F. McMahon.

For material, 40 points were given, 20 for composition, 30 for delivery, and 10 for platform appearance.

All the subjects had relation to the farm. The judges complimented the young men on the ability displayed in public speaking, Mr. Bell saying that he had never heard better in a young man's association. The prizes were awarded as follows: H. Collard, Ed. Winch, J. Snider, Roy Crosby and Bert Kane.

This Auction Business is now a science, and as COL. LONG has obtained from 10 to 25 per cent.
