Presentation
All the employees at Dunlop's Green-
houses assembled at their employer's
home last Thursday evening and spent
a social time. The gathering was
called to give a proper "send off" to
James Pollard, a worthy employe,
who has enlisted in one of the Toronto
batteries, and reported on Monday.
A pleasant feature of the evening was
the presentation of a silver wrist
watch, suitably engraved, by Mr. and
Mrs. Dunlop, and a handsome foun-
ten pen, also engraved, by the em-
ployees. After a tempting banquet
was served, short speeches were made
by Mr. Dunlop and others, everybody
wishing the guest of the evening the
best of luck and a safe return. The
balance of a pleasant evening was
spent in music and games.

Reception Committee
Reeve Pugsley presided at a meeting
in the Library Room Tuesday evening
for the purpose of appointing a perma-
nent committee to assist the Village
Council in giving an appropriate wel-
come to the boys as they return from
the front. Mr. A. J. Hume was ap-
pointed secretary for the evening.
Resolutions were passed appointing
Reeve Pugsley, as Chairman of a Cit-
izen's Committee, who will name seven
ladies and seven gentlemen to assist,
with power to add to the number. A
resolution was also passed asking the
Council to donate a sum of money to
meet the necessary expenses in con-
nection with receptions. The com-
mittee will meet without delay. Let
every citizen assist in the worthy ob-
ject.

THORNHILL
Interest in the Horticultural Society
is growing. Mr. McVitte was received
by a goodly number Tuesday night
and the questions asked showed true
interest. If Mr. McVitte is a modest
speaker he told his method and left
his audience to judge by results as to
whether they were good or not. He
invited the members and their friends
to visit the conservatories of Sir Henry
Pellatt on Saturday next from 3 to 6
in the evening.

There will be a special meeting on
Saturday afternoon, March 17. Mr.
Nash of Toronto will give an address
on Birds and Bird Houses, illustrated
by lantern slides. The Society is
planning to give prizes for the best
collection of three bird houses, to be
given in May. Boys and girls, look
out for further notice.

National Service Literature
One of the most valuable of recent
literary contributions to the great
cause is a booklet by Professor Stephen
Leacock, entitled "National Organ-
ization for War." In this booklet, Dr.
Leacock makes an urgent call for
national thrift and national saving.
He attacks in vigorous style the evils
of extravagance at this crisis in
Canada's history, and by trenchant
phrase and apt illustration disposes
of various common errors in regard to
individual spending of money during
war time.
This pamphlet was originally pub-
lished by Dr. Leacock himself, but the
National Service Board were so con-
vinced of its value in connection with
their Thrift Campaign that they have
had it republished and have under-
taken its distribution. Copies may
be obtained by writing to the Secretary
of the National Service Board at
Ottawa, or by applying to the Nation-
al Service Director in any Province.
