Made in Canada WALL PAPERS

HAVING SECURED THE AGENCY for the Celebrated Empire Wall Paper Company, Toronto, we are prepared to show samples of paper never seen before and for less money than can be purchased anywhere in Toronto. These are the patent, self-trimmed papers—no trimming to do which saves much time—and are edged to the 1000 part of an inch, which makes matching easy and will aid in people doing their own papering. See our samples, take the size of your room, and we will see you have no waste. Wall, ceiling and borders all to match. Ask to see our Sample Book, take it home and look them over, and all the family will be pleased to have said they helped to select this paper.

But McLaughlin science, skill and building honesty, is ever ready to make that "better" automobile whenever it can be built.
