Real Travel Comfort

Spring is here, and Patrons of the Canadian Northern Railway will find renewed pleasure in the Compartment-Library-Observation cars on all its Transcontinental trains, which not only allow the Passenger to gain the full benefit of the wonderful scenery along the route, but also to take advantage of the many new comfort features which have created so much favorable comment among cross country travellers.

A magazine and library bureau which contains the latest and most popular literature; writing desks with attractive stationery; a "Travellers' Shop" with a stock of articles the Traveller is likely to forget or overlook in packing up for the trip such as collar buttons, shoes laces, etc., are a few instances, while tasty teas, and light refreshments may be obtained at very small cost.

Auction Services

Many farmers engage an auctioneer because he "knows the people." Other farmers, like big business concerns, engage the man because of his ability and record.

Certainly there are many good auctioneers, but, as in other lines, there is one who excels, one who has equipped himself by closer study, more general, extensive and special training—one who is a teacher, recognized as "an expert and an authority." That man is THE MAN who can get the BEST RESULTS. And in my record, covering many hundreds of sales, I have secured owners from 4 to 22 per cent. MORE than they expected, and in my first sale in Guelph district this Spring at Thos. Arkell's, I secured 18 PER CENT MORE than Mr. Arkell expected. He was more than pleased, and his brother, Henry, known throughout the agricultural world as a breeder of pure-bred stock, wrote: "I was present at my brother's sale, and was very much pleased with the way you conducted it."

Gentlemen, let me get you BETTER PRICES, MORE MONEY for your stock at Auction. I CAN DO IT. Book me at the office of Dr. J. H. Sanderson. I specialize in Farm and Pedigreed Stock Sales.
