Auction Services

Many farmers engage an auctioneer because he "knows the people." Other farmers, like big business concerns, engage the man because of his ability and record.

Certainly there are many good auctioneers, but, as in other lines, there is one who excels, one who has equipped himself by closer study, more general, extensive and special training—one who is a teacher, recognized as "an expert and an authority." That man is THE MAN who can get the BEST RESULTS. And in my record, covering many hundreds of sales, I have secured owners from 4 to 22 per cent. MORE than they expected, and in my first sale in Guelph district this Spring at Thos. Arkell's, I secured 18 PER CENT MORE than Mr. Arkell expected. He was more than pleased, and his brother, Henry, known throughout the agricultural world as a breeder of pure-bred stock, wrote: "I was present at my brother's sale, and was very much pleased with the way you conducted it."

Gentlemen, let me get you BETTER PRICES, MORE MONEY for your stock at Auction. I CAN DO IT. Book me at the office of Dr. J. H. Sanderson. I specialize in Farm and Pedigreed Stock Sales.

With the hearty approval of the Minister of Education it is proposed to celebrate Empire Day in the Schools of Ontario this year by raising a fund by entertainment or otherwise to assist in erecting a monument to the memory of Miss Edith Cavell who was so foully murdered by the Germans in Belgium. The matter is in the hands of teachers and trustees.
