

Owing to the holiday our subscribers should get The Liberal one day earlier than usual this week.

Mrs. J. Harris and Miss Vida Harris, B.A., of Campbellford spent the week-end with Mr. and Mrs. C. A. Roe.

Through the generosity of Mr. J. H. Dunlop, members of the Richmond Hill Horticultural Society for 1917 were donated Rose Bushes as a premium.

The electrical storm of last Saturday evening, which passed over this district struck and slightly damaged the barn of Mr. R. Wideman; also killed a valuable cow.

Our citizens should not fail to get out their flags, and decorate their residences and places of business on the 24th of May. A good line of flags, and red, white and blue decorating paper for sale at The Liberal Office.

The results of the Toronto University examinations have been published. Among the successful candidates we notice the names of Miss M. E. Wright, 1st year; Miss A. Boyle, 3rd year; Miss W. Simpson (Eng.) 3rd year; Miss G. Brown, (honors) third year.

For the out-of-door man Rod and Gun magazine for May published by W. J. Taylor of Woodstock, has much that is of interest to offer. There is an interesting article on the wild duck, the story of a fishing trip, camp stories, fishing experiences, as well as several other notes of interest.

The Presentation Committee announce that the medals are now ready, and only await the return of our reeve from the West, when a fitting reception will be given our returned heroes. We are pleased to be able to state that the wounded soldiers in our midst are gaining health and strength as the weeks go by.

Anniversary Number

The Liberal was pleased to receive a copy of The Orillia Times—the 50th anniversary number. The number is most creditable, giving as it does an historical sketch of the beautiful town of Orillia from the year of Confederation up to the present time. The town which is situated on Lake Couchiching, is a fine business centre, and is deservedly popular as a summer resort. An interesting account, with photographs, is given of a number of pioneer citizens and representative men, and although most of the faces are strange to the writer he detects that of Mr. Thos. Mulcahy, a son-in-law of the late Mr. M. Teffy, for many years Postmaster at Richmond Hill. Among the advertisers 50 years ago we observe that Mr. Mulcahy offered "men's suits at \$2.50, and tea at \$1 per lb."

WE SHALL MAKE AN-
other display of Children's and Ladies' Millinery on Friday and Saturday next. Low prices. Latest Models. Laces, Gloves, Vests, Collars, Ribbons, Hosiery and Fancy Notions.

The Rustic Inn
Richmond Hill, Ontario

Mr. W. Mylks on Tuesday attended the funeral of his father in the village of Arthur.

Tuesday evening's Star contained the photogravure of Pte. W. C. Monkman who has been wounded at the front. He is a son of Councillor Joseph Monkman of this village.

The Red Cross women and girls will have a booth on the Fair grounds on Victoria Day, and will be prepared to sell light lunches, sandwiches, cake, pie, coffee, lemonade, milk, fruit, ice cream, and all the delicacies of the season. Your patronage solicited.

Although the weather is still cold, and the growth has been slow, yet the outlook for good crops is bright. The land is in excellent condition, and the recent rains will do much in forcing grain and vegetables ahead. All that now seems necessary is moderately warm weather to ensure a good yield.

The Band

The Richmond Hill Band, which gave general satisfaction at the Fair last year, will, under the leadership of Mr. A. J. Hume, be fully as strong this year on the 24th. They have purchased a lot of new and up-to-date music, and may be depended upon for a first-class programme. The Band will line up at Lorne Hall about 11 a.m., march to the Methodist Church, return to the Lorne Hall at 1 o'clock, and after playing a selection of two, will march to the Fair grounds. At 5 p.m. the musicians will march to the Presbyterian Church, playing on the way.

Auction Services

Many farmers engage an auctioneer because he "knows the people." Other farmers, like big business concerns, engage the man because of his ability and record.

Certainly there are many good auctioneers, but, as in other lines, there is one who excels, one who has equipped himself by closer study, more general, extensive and special training—one who is a teacher, recognized as "an expert and an authority." That man is THE MAN who can get the BEST RESULTS. And in my record, covering many hundreds of sales, I have secured owners from 4 to 22 per cent. MORE than they expected, and in my first sale in Guelph district this Spring at Thos. Arkell's, I secured 18 PER CENT MORE than Mr. Arkell expected. He was more than pleased, and his brother, Henry, known throughout the agricultural world as a breeder of pure-bred stock, wrote: "I was present at my brother's sale, and was very much pleased with the way you conducted it."

Gentlemen, let me get you BETTER PRICES, MORE MONEY for your stock at Auction. I CAN DO IT. Book me at the office of Dr. J. H. Sanderson. I specialize in Farm and Pedigreed Stock Sales.

Come to the Fair

The directors expect that all good citizens of Richmond Hill and surrounding district will do what they can to make the Fair and Concert of the Agricultural Society a success. The usual programme of sports will be given, the churches and hotels will provide good meals, and the Red Cross Society will have a booth in the grounds. Tell your friends to come in the forenoon, and be sure to remain for the entertainment in the evening to be presented by the Women's Institute.

Rev. W. R. Barker of Toronto preached two able and eloquent sermons in the Methodist Church last Sunday. The congregations were large at both services.

Car Turned Turtle

Mr. M. Patton of Elgin Mills, and his little son, George, had rather an exciting experience Saturday afternoon. Mr. Patton led one of his team horses out of the stable, and while returning for the mare the first horse took French leave and ran eastward on the Elgin side road. The father and son jumped into their new Ford and started in pursuit of the run-away. When near the C. N. O. track the chauffeur turned out to escape some gravel, but in doing so the car overturned, pinning both occupants underneath. Shortly afterwards they were liberated by two men who happened along on a motorcycle. Fortunately neither Mr. Patton nor George were much injured, the former getting a few bruises on his back and side, and the latter getting his knees scraped. A broken wind shield was the only injury to the car. The horse was caught at Mr. Ralph Wideman's.
