

Swede turnip growers are urged this spring to endeavour to secure and transplant a few sound roots to produce seed for themselves and their neighbours. Owing to the abnormal conditions now prevailing there will likely be very little swede seed for planting in the spring of 1918 unless our Canadian swede turnip growers make provision for their own supplies by growing the seed themselves.

One Gallon of Gasoline has done it

# 36 to 68

Per Cent,  
More Mileage

20 to 25 miles to a gallon of gasoline is a frequent occurrence with the Ford car. One man (name on request) reports an average of 33 miles per gallon for 20,000 miles. Surely this is a record that few, if any other makes of cars, ever equalled.

It demonstrates the economy of owning and driving a Ford. You can average 1,000 miles more travel on Ford-size tires. The saving on oil and repairs is proportionately large. The name "Ford" stands for lowest cost and greatest service.

The Ford is truly the Universal Car.
