Presbyterian Church

Next Sunday, Sept. 16th, the morning service will be a Memorial Service for Wellington Monkman, recently killed in France. In the evening Rev. J. D. Byrnes, B.D., Missionary Superintendent of Northern Ontario, will give an address on The North Country.

The Centennial Celebration is over and all feel that it proved a splendid success. Inquiries and congratulations have come from all parts of the Dominion. The Church owes and conveys to all who assisted her sincere gratitude. We appreciate very much the courtesy of the Methodist Church in cancelling their service Sunday evening last. Dr. Neil and Dr. McTavish both preached to full houses on Sunday and both gave splendid messages for the occasion. Dr. Neil's message on "The Vitality of Religion the basis of National Prosperity" was one we should like every Canadian to hear.

Pre-occupation with the Centenary last week crowded mention of Miss Marjorie Boyle's wedding. The wedding was a simple home wedding with only immediate relatives present. Mr. Harry Carroll is a happy man in securing a bride with such sterling qualities. Not only the Presbyterian Church but the whole village will feel the poorer in having Marjorie Boyle leave our midst. Too rarely do such grace and loveliness ally themselves with simple kindness and home-keeping virtues. We wish them prosperity in their new home in Montreal.

News came early last week that Walter Vanderburgh was wounded and a little later the sad news that Wellington Monkman was killed. We are all touched with sorrow together with the father and mother in their tragic loss. The agony and desolation of war becomes very real when it invades our own home to rob us of our best. Our tenderest sympathy is with the family.

We extend our sympathy also to the relatives of Mrs. Alex. Gibson one of our old members whose death came suddenly last week at her home near Brighton.

Maple Bakery

An old and true saying is "the proof of the pudding is in the eating," and the proof the Maple Bread is the best is the quantity that is being sold. It has increased over six times what it was 5 yrs. ago, when I started in business in Maple. I have been asked several times why it was that my bread kept so moist to other baker's bread; the only reason I could give was the quality of the flour used, and I can guarantee my bread pure, only made from the best Manitoba flour, salt, yeast and water. No other ingredients. Give us a trial, 11 tickets for \$1.00.

JOHN GREY, Maple Bakery.
