

Mr. and Mrs. Harry Carroll who spent their honeymoon in Muskoka left for their home in Montreal Friday.

Mrs. Trench last Friday fell in coming down stairs and received severe injuries. She is resting easier this last day or two.

Mr. L. B. Heise and Mr. W. B. Heise were attending a conference at Stevensville, Ont., on Thursday, the 13th Sept., in connection with the Tunker church.

The directors of the Newmarket Agricultural Society are making unusual preparation for their Annual Fair to be held on Wednesday, Thursday, and Friday, Sept. 26, 27, and 28.

Councillor Joseph Monkman and Mrs. Monkman, and Mr. and Mrs. P. Phillips left Monday night by C. N. O. for a trip to the West. They will visit at Indian Head and other places.

The regular meeting of the Red Cross Auxiliary will be held in the Public School on Monday, Sept. 26th, at four o'clock. The September subscriptions are requested to be handed in at that meeting.

Mr. Harry Reid, formerly of Thornhill, who has been working in the interest of the Soldiers Insurance at the City Hall, Toronto, for the past two years was in the village on Monday and called on a number of old friends here.

Mr. W. Banford, Dominion Government Immigration Agent, Toronto, and Mr. R. W. Sloan, Churchill, Inspector of agencies, attended the tractor demonstration at the Industrial Farm yesterday, and paid a visit to Mr. T. F. McMahon, Employment Agent here.

At a meeting of the Directors of the Agricultural Society last Saturday evening a committee reported that Mr. John Palmer had offered to sell that part of the Fair Grounds, four acres more or less, now under rental, for \$1,500. The offer was accepted, the village to pay \$500, the Society the balance.

There will be preaching in the chapel of the disciples of Christ, Sherwood, Ont., morning and evening, September 24th, by evangelist S. M. Jones, Beamsville, Ont. He will speak on the following subjects: 10:30 A. M.—"Thou hast loved righteousness, and hated iniquity;" 7:30 P. M.—"The longest war that ever was—should people enlist?" Your presence will be appreciated.

Evidently the punishment meted out to automobile thieves is not severe enough. During exhibition week Mr. T. Cousins of Maple had his car taken, Mr. Savage's was taken in Toronto, but afterwards recovered by a policeman, and Miss Davis of Newmarket had her car taken from one of the streets in that town, a few days ago. It will take more than "\$5 and costs" to put a stop to this wholesale pilfering in cars.

We have seen a letter written by Lieut. James Jenkins, 2nd Bn., C.R.T., to Walter Vanderburgh's mother, after Walter was wounded. Lieut. Jenkins spoke well of his comrade, and concludes his letter as follows: "You have every reason to thank Sergeant C. C. Offerdal of our battalion for his bravery. It was only with his assistance that I managed to get Walter away from a very heavy artillery barrage."

Tractor Demonstration

The City Industrial Farm, 1 1/2 miles south of Richmond Hill, is the Mecca where more than 60 tractors are at work four days of this week. The number of tents erected give the impression that a circus might be in progress, and machines of various makes are present from different parts of Canada and the United States. Naturally up-to-date farmers are interested in the plowing outfits, and hundreds of automobiles visit the place day after day. Many other farm implements are exhibited, and large crowds are showing the greatest interest in the demonstration showing how Canada's Agricultural land will be plowed and made ready for spring and fall crops. The demonstration closes to-morrow, Friday afternoon. Meals are supplied by the Red Cross of Richmond Hill and Thornhill, and by Mr. Mumby, caterer at the Toronto Exhibition.
