In case the Metropolitan Railway is taken over by the city the county of York has no claim for damages. The above decision was arrived at when the matter came before the Ontario Railway Board for decision. The Board based its decision on the fact that the fact that the County in 1896 abandoned the road to the smaller municipalities and therefore lost the right to any claim in the future in connection with the through fare and notwithstanding the fact that the road became part of the Highways system it was the opinion of the Board that the Council had no part in the jurisdiction and ownership of the road within the City limits.

If you want to help our boys along,
 Come and give us your dough
 And we'll hand out a good hot dog
 And coffee and sugar, that's so.
 This shine comes off on the 14th, of Feb.
 We'll have a jolly time
 I've asked the weather man all about it
 He says its going to be fine.

As, at this season, we can't get frogs,
 We'll supply you with plenty of fresh hot dogs,
 There'll be sandwiches too, and coffee to drink,
 If you come on St. Valentines night to the rink.

Public Attention

I, the undersigned wish to announce to the residents of Richmond Hill and vicinity that malicious persons are circulating false statements that I am charging \$20.00 per ton for coal. I want it distinctly understood that my price is \$13.00 per ton and every ton contains 2 000 lbs. The sacks sold for \$1.00 weigh 150 lbs. being 1½ cents per hundred dearer than larger quantities owing to extra labor in handling same. I did not have any intention of entering the coal business but I will endeavor to supply those people who have so kindly placed their orders with me, with the best coal obtainable at an honest price and full weight.
