## Auction Sales Season Coming

Farmers, in soliciting your sales, I do so, not with a view of beating any other man out of them, but because it is my special profession. Having been a farmer for years, knowing stock and values, (grade or pedigreed) knowing how to describe stock and values, having conducted many hundred farm and stock sales, having made a world's record, and having "given to the world its greatest auction work." I can—and I submit grounds for the claim—get you more money from a sale than any other man in the business.

Your Sale is dollars to you. Why not get the most of them?

Write or see me.
