### A Great Chance

It will be seen by advertisement in another column Horner Bros. are desirous of disposing of their lucrative milk business. Horner Bros. have been disposing the lacteal fluid through cloud and sunshine to the inhabitants of Richmond Hill for the past thirty five years and during that time have built up an immense paying business and have won and retained the respect of their many customers. Ill health and the labor question has made it necessary for them to dispose of their business which they are now endeavouring to do through Mr. H. A. Nicholls, Real Estate Agent. This is a chance in a lifetime and someone is going to get a snap.

## Auction Sales

### Season Coming

Farmers, in soliciting your sales, I do so, not with a view of beating any other man out of them, but because it is my special profession. Having been a farmer for years, knowing stock and values, (grade or pedigree) knowing how to describe stock and values, having conducted many hundred farm and stock sales, having made a world's record, and having "given to the world its greatest auction work," I can—and I submit grounds for the claim—get you more money from a sale than any other man in the business.

Your Sale is dollars to you. Why not get the most of them? Write or see me.
