## Citizens' Meeting

A citizen's meeting was held in the Council Chamber Friday evening, Mr. Pratt, President of the Ratepayers Association, in the chair. The President stated that the object of the meeting was to enlist the co-operation of the citizens with the Village Council for a Field Day, to tender a reception to returned soldiers, and to start a fund for a Memorial to our boys who had fallen in war. It was then decided to hold a day of sports, &c., on the 4th of August—Toronto's Civic Holiday. A motion was carried asking the Agricultural Society and other societies here to co-operate with the citizens in making the entertainment of the 4th of August a success. Mr. Pratt was appointed Permanent Chairman, Mr. McMahon, Secretary, and Mr. Greene, treasurer. Various committees were then struck with conveners as follows:—Sports, J. Lunan; Finance, T. H. Trench; Banquet, D. Hill; Booths, J. Monkman; Printing and Publicity, J. A. Greene; Decorating, J. H. Dunlop. The conveners met after the meeting and appointed their committees. Everybody in the village and vicinity is asked to help and make the day a grand success.

## Village Council.

The Council met on July 2, 1919, in the Clerk's office, all the numbers present, minutes of last meeting read and confirmed. A by-law to borrow \$25,000 and provide for the issuing of Debentures as collateral security for the same was given its first reading. Five petitions for sidewalks were read and on motion were received, each being certified by the Clerk as sufficient under the Local Improvement Act. Moved by Councillor Hill seconded by Councillor Monkman and carried that work be proceeded with at once on Wright street westward from Yonge to Hall, Duff-in avenue from Yonge eastward to Church, east side, and on Yonge, east side from Lorne Ave. northward to Moodie's lot, 364.

The Clerk was instructed to write Mr. Bert Jackson re well. Some discussion was had relating to a Field Day in the near future and a decision made to endeavour to have a ratepayer's meeting on Friday evening, July 4.

The following accounts were read and payment of the same ordered on motion of Councillors Greene and Monkman:—  
John Sheardown, Labor, cement etc \$645.52  
L. Innes & Sons, Lumber \$63.86  
Geo. Allison, Teaming \$23.70  
Municipal Lighting for May \$132.20  
Chamberlain & Hookham, Meters \$110.50  
H. B. Stirling, Services \$17.31  
Council adjourned.

## Farmhouse Burned

During the absence of the family, the farmhouse belonging to Richard Ash, a short distance north of the village of Unionville, caught fire and was in a short time burned to the ground, together with a large part of the contents. Mr. and Mrs. Ash, together with some of the other members of the family, were in Markham, while two of the sons were in the back field drawing in hay.

Little from the upstairs was saved and the loss is heavy. Two of the sons had only recently returned from the front, and the gold watches donated by the township of Markham and presented to each of them a day or two before were destroyed in the fire. The favorable wind prevented the bank barn, one of the best in the township, from igniting. The neighbors from far and near rendered splendid service.

## A Welcome Rain

Saturday afternoon's thunderstorm and Sunday's early morning rains, will do an immense amount of good to the growing crops of grain, and the late timothy and buckwheat fields which were parched with the tremendous heat of the past week or two. Barley is well headed out, but the rain will keep the grain back from too early ripening, will help spring wheat and oats immensely, and in every way prove a godsend.

## Union Picnic

A Union Sunday School Picnic of Vaughan Township will be held at Pine Grove on Wednesday, July 16th in the afternoon. Swings and sports of all kinds will be arranged for the children. Every Sunday School in the Township is expected to be there in full force. Bring your baskets with you and have a good time.

## NEWTON BROOK

The annual Sunday School picnic was held on Monday, June 30th and was a pronounced success from every point of view. Promptly at 1:30 everyone boarded the car for Bond lake, returning at about 9 o'clock. The most pleasing feature of the day was that it was a community affair. Parents and children and the neighbourhood generally took in this one day of the year, and thoroughly enjoyed themselves. Sunday, July 6th was the first Sunday under the new arrangements at our church. There were two services, at 11 a. m. and 7 p. m., the latter service being of a patriotic nature in celebration of the signing of the Peace treaty. There were large congregations, and the services were impressive. Under the new plan the pastor, Rev. Mr. Jourdan, will have much more time to give to the work at Newton Brook, and the intention is to make the church, in all its branches thoroughly representative of the community spirit which is such a pleasant feature of our little village. From now on, regular news notes will appear in the Liberal containing matters of interest in the community. Look out for the Newton Brook news.

The pastor, Rev. P. A. Jourdan will take for his subject Sunday morning "The Supreme Investment—Life". In the evening the subject will be "A Limited All-giance"

NEWMARKET

Your Maxwell Is Here—Waiting for You.

AND this latest Maxwell is a "bird"—your first glance at it will tell you that this new Maxwell is a distinctively smart car. It is robed in new beauty—remarkably improved in appearance.

And your first ride in it, whether at the wheel or in the tonneau, will tell you of its rare charm—its comfort, its responsive action, its fine performance.

The more you drive it, the more you will appreciate it. For the Maxwell is, above all, reliable. It is built on a chassis designed five years ago—improved and refined, of course. In a thousand ways! Over 300,000 Maxwells have been built on this plan.

But today's Maxwell has added beauty and style. It's waiting for you—here. Come and get behind the wheel.
