Mr. Edward Palmer of Montreal, Equipment Engineer for the Bell Telephone Co., and his wife and daughter are visiting with his parents, Mr. and Mrs. Charles Palmer.

An Ice Cream Social under the auspices of the Ladies Aid of the Methodist Church will be held on the church lawn on Saturday evening of this week. Everybody welcome.

Mr. J. Thomson who recently returned from overseas to his home at Gormley, called on friends here last Thursday. Mr. Thomson was formerly on the staff of the Union Bank.

Mr. Baldwin Treffy of Stockton, Cal., who had been visiting his sister, Mrs. Mulcahy in Orillia, spent Friday and Saturday calling on old friends here, and was the guest of Mr. A. J. Campbell.

Mr. and Mrs. Robert Tricker and son of Fort William, who have been visiting friends in Barrie, and in this section of country for the past two months are returning home this week.

Sgt. Y. B. Tracy who enlisted with the Siege Artillery, St. John, N. B., in 1915, and served three years overseas has returned, and has taken his former position as Station Agent at the C.N.R. station here.

Mrs. J. Smith and daughter Miss Cora Smith, the latter, Local Representative of the Bell Telephone at Richmond Hill, went to Barrie Saturday to spend a few days with friends.

Mr. Fred Hopper has been again unfortunate. A few days ago while running a saw at Innes' Mill, he had the second and third fingers of the left hand badly cut and torn. The injured fingers have been very painful.

Mr. J. R. Herrington, manager of the Standard Bank, and Mrs. Herrington, are spending a couple of weeks holidays along the Trent River. Mr. A. J. Balson is relieving in Mr. Herrington's absence.

The victory spirit will dominate the Canadian National Exhibition this year, and the Dominion war trophies, the Canadian War Memorials paintings, Grenadier Guards Band, and the German U-boat will furnish a real khaki background for the event.

Mr. Henry Moyle sailed last Sunday from Montreal on the Steamship Metagama, for Lausanne, Switzerland, to remain for several months with his son, Dr. R. D. Moyle who is completing his post-graduate course in the hospitals there.

The local baseball team won an easy victory from "The Alerts" of Toronto on Saturday. The visitors started off in good form, but when Kenny got his corkscrew curves down to science, they ceased to score. The game stood 18-8 in favor of the Hill. The return match will be played in Toronto Saturday.

The British Grenadier Guards Band will take part every evening in the Spectacle at the Canadian National Exhibition. H. R. H. the Prince of Wales is a captain in the Guards and the band will have a place of honor in the various functions in honor of His Royal Highness during his stay in Toronto.

Canada owns over 450 big guns, scores of aeroplanes, and many thousand rifles and machine guns. The trophies are too many to house in the proposed War Museum at Ottawa, and a great number will fall to the lot of various municipalities throughout the Dominion. The distribution will start immediately after the Canadian National Exhibition.

The D. Y. B. Club will hold a Dance at Bond Lake Park Saturday night.

Mr. Spicer of Toronto will be the supply in the Methodist Church next Sunday.

A barn at "Brookside," Elgin Mills, was burned by lightning Saturday evening. The building was on the Osborne property, at present rented by Mr. O. Mallory.

Temperance Meeting.

The Temperance Referendum Committee met again Tuesday evening and appointed committees to canvass the village on behalf of temperance. We believe the canvassers will be well received when they make a house-to-house canvass, as few people will want a return of the bar or the sale of liquor in any form. The members will be notified by the secretary, and the next meeting will be held in the Council Chamber this Thursday evening.

Chairman's Notice

The Executive of the Field Day Committee, as follows, viz.: W. Pratt, T. French, J. A. Greene, J. Monkman, D. Hill, H. A. Nicholls, T. F. McMahon and J. Lunau, will meet in the Council Chamber on Friday evening next, 22nd inst., at 8 o'clock, to wind up all business in connection with the Field Day. If any of the heads of committees are absent from town, their vice-chairman will please attend; also any others interested. All accounts must be presented before that date, and all subscriptions must be paid in to the collectors who, in turn, will remit to the treasurer.

Five Dnnlop Greenhouses.

Mr. J. H. Dunlop has another greenhouse neatly completed, and hopes to have it ready for early fall planting. This makes five greenhouses. The former buildings were erected in accordance with the then latest approved methods, but the new house of glass, which is 300 feet by 51 feet, is of newer and better construction than those built in 1913 and 1914. The firm makes a specialty of Roses, but the new building is intended particularly for carnations, sweet peas and other flowers. At present there are about 40 men working on the premises, and the weekly pay sheet must mean a great deal to the storekeepers and business men of this village. The Dunlop Greenhouses are certainly second to none, of the industries in Richmond Hill.

Death of Gerrard Wiley

After an illness of about a year Mr. Gerrard Wiley passed away Monday evening, August 18. Deceased was born in Thornhill June 14, 1833, and until ten years ago he practically lived the whole of his life in Thornhill, Patterson and Richmond Hill. After the death of his wife in 1909, he left Richmond Hill to make his home with his daughter, Mrs. C. G. Derry in Toronto. Deceased is the last of a family of four brothers and two sisters. For about thirty years he was employed in the Patterson Agricultural Works, where by his regular habits and genial disposition he was a general favorite. The funeral takes place this afternoon to Thornhill cemetery. Of a family of nine children, five survive, as follows: Mrs. C. G. Derry, Toronto; Walter E., Newmarket; Mrs. T. F. McMahon and Charles P., Richmond Hill, and Eva M. Wiley, Toronto. Until the last year or two the old gentleman paid regular visits to his relatives here, and was always delighted to meet old friends.

IN MEMORIAM

In loving memory of Wellington C. Monkman, No. 225762, of the C.M.R., transferred to the 127th Batt., killed at Lens, August 21st, 1917.

It's two years to-day since you gave your life. You had done your bit in that awful strife. It helps to know you were not alone. For God was there with a welcome home.

Now you are sleeping your last long sleep. And your grave we may never see, But some gentle hand, in that distant land, May scatter some flowers for me.

And some loving heart may shed a tear For us in anguish sore. For the life so fair, that is ended there.

Away on the alien shore. (Father, Mother, Brother and Sister.)
