**Fire at Newton Brook**

About three o'clock Tuesday morning a terrific fire broke out at Newton Brook on Yonge street, destroying the farm house occupied by W. M. Robinson and family, and spreading rapidly soon burned to the ground the Humberstone Pottery about 300 yards to the south. The fire was discovered in an outhouse on the Robinson farm, by a passing automobilist who in all probability saved the lives of some of the occupants of the house. The Robinson property is owned by a Toronto syndicate. The buildings on this place are said to have been well insured, but there was little insurance on the Pottery. Altogether the loss will be over \$30,000. The origin of the fire is unknown.

**Monkman—Stevenson**

On Wednesday Sept. 24th, the home of the bride's parents, Richmond Hill, was the scene of a very pretty wedding when Ethel Gertrude Stevenson, eldest daughter of Mr. and Mrs. George Stevenson, was married to Russell James Monkman, son of Mr. and Mrs. J. A. Monkman. The ceremony was performed by Rev. R. McKee of Richmond Hill. The bride, unattended, was given away by her father and looked charming in a dress of white silk crepe de chene, with bridal veil caught with a wreath of orange blossoms, and carried a bouquet of bridal roses. Miss Hazel Monkman, sister of the groom, played the bridal chorus, Lohengrin. After the wedding supper was served, the happy couple left for a motor trip to Hamilton and other points east.

The remains were brought to their home in Newmarket, and on Monday the funeral took place to St. John's cemetery, Oak Ridges. A solemn service in the church conducted by Rev. Mr. McConigle and Rev. Mr. Soanes. The latter preached a touching sermon in which he referred to the faithful work of deceased in the church, the Sunday school and the choir. The deepest sympathy is felt for the husband; the mother and other sorrowing relations.

**How to say "No!"**

Mark Your Ballot with an X after Each Question under the word "No"

1	Are you in favour of the repeal of the Ontario Temperance Act?	YES	NO <b>X</b>
2	Are you in favour of the sale of light beer containing not more than two and fifty-one one-hundredths per cent. alcohol weight measure through Government agencies and amendments to The Ontario Temperance Act to permit such sale?	YES	NO <b>X</b>
3	Are you in favour of the sale of light beer containing not more than two and fifty-one one-hundredths per cent. alcohol weight measure in standard hotels in local municipalities that by a majority vote favour such sale and amendments to The Ontario Temperance Act to permit such sale?	YES	NO <b>X</b>
4	Are you in favour of the sale of spirituous and malt liquors through Government agencies and amendments to The Ontario Temperance Act to permit such sale?	YES	NO <b>X</b>

Above is an exact reproduction of the Referendum ballot, showing the correct way to Vote in order to sustain the Ontario Temperance Act as it stands.

Everybody should study the four questions and realize exactly what they mean. Do not be misled by the insidious demand for "light" beer.

The beer of the ballot is 118% stronger than the Ontario Temperance Act now allows, and over five times as strong as the limit allowed for beer defined as non-intoxicating in Great Britain and the United States.

**Answer Each Question**

1. Unless you vote on every question your ballot is spoiled.
2. You must mark your answer to each question with an "X" only. Anything else would spoil your ballot.
3. Unless a majority vote "No" on question 1 the bars will be restored and the sale of all kinds of intoxicants permitted.
4. Unless a majority vote "No" on questions 2, 3 and 4 the Ontario Temperance Act will become almost worthless.
5. The only SAFE course is to mark your ballot as shown above.

**"No!"—Four Times—"No!"**

No repeal; No government beer shops; No beer saloons; No government whiskey shops.—Four X's, each under the word "No."
