

At the Liberal convention at Thamesville, on Monday, the 2nd of February, the delegates, by a vote of 34 to 32, decided against running a candidate in East Kent. Mr. Dewart, K.C., Liberal Leader, was present and delivered an address.

A meeting of the Citizens' Liberty League was held in Toronto a few evenings ago. One of the resolutions carried was "That the Citizens' Liberty League publish a weekly newspaper." The meeting expressed a lack of publicity and a lack of sympathy from the press of Toronto towards the Liberty League. Surely the League should make exceptions. The League has at least always had the active support of Jack Canuck.

On or about the 30th ult., a city daily quite properly asked, "What has become of Harry Thaw? Or January Thaw, for that matter." Fortunately, people have almost forgotten the former, but many were anxious to see if the latter would really come this year. They looked in vain. Reliable thermometers in Richmond Hill showed 22 and 24 below zero on January 31—the coldest of the season. The thaw was only a couple of days late, however—February 2.
