Scouts' Concert

The concert for the camp funds was held on Wednesday evening, May 12th. The Scout Masters of the 34th and 7th Yorks, with several of their Scouts assisted very materially in the programme for the evening. Mr. Hammond, the Provincial Secretary, was present and gave an animated address on the Scout Movement and the need of the appointment of a Local Scout Master, or some one who could be of real assistance in the work. The Secretary of the County of York, as well as several other Scout Masters and assistant Scout Masters were also present. Scout Gordon Fee recited, and, owing to sickness, other arrangements for the programme by the Ypres Troop were not able to take place.

The majority of the Scouts answered the call of their Scout Master and appeared in full uniform, as well as a number of the Cubs. The following boys received Service Stars and Badges: Service Stars—Eric White, Jack Innes, Lambert Atkinson, N. Price, R. Tyndale, Alan Armstrong, Clarence Milks, Elmore Harding, R. Farr, Craig McDonald, Bruce McDonald, Bert Grant, Willie Hearne, Gordon Fee, Frank Nicholson, E. Banks. Second Class—Gordon Fee, James Cowie, Alan White, Percy Caldwell. Cook's Badge—Lambert Atkinson, Percy Caldwell, Alan White, Eric White.

Marksman—Elmore Harding, Bert Grant, Lambert Atkinson. Naturalist—Alan White. Swimmer—Percy Caldwell. Poultry—Elmore Harding. Pathfinders—Elmore Harding, Bert Grant. Handyman—Bert Grant. Horseman—Elmore Harding.

The whole evening was most enjoyable, and the proceeds for the camp fund amounted to between \$25 and \$30. It was with much regret that the Scout Master had to give notice that through sickness Scouts Percy Caldwell and Alan White were unable to be present.

We also noted with much regret the absence of Mr. Oliver and his family, who always were on deck for past concerts. There were several other prominent Richmond Hillites conspicuous by their absence.

The Cub Pack will go to camp this year on the 7th of July and the Scouts on the 14th.

At the close of the entertainment the National Anthem was sung and Mr. McEachern offered his services to the Scout Master.—Com.

MAPLE

On Thursday of last week Lucy Phillips, widow of the late Mr. Wm. Knight, passed away at her home in Toronto, after a long illness. The funeral took place by motor on Saturday afternoon to the Maple cemetery and was attended by many relatives and friends.

The monthly meeting of the Women's Institute was held at the home of Mrs. T. Oliver. After a short programme, Mrs. Oliver served luncheon, and a sociable time was spent.

Mrs. Howard Mitchell of Burlington, Iowa, visited over Sunday with friends in the village.

The Masonic meeting and supper was held last Monday evening.

Laid to Rest

About two years ago Mr. and Mrs. John F. Burr came from the North-West to their comfortable home on Markham st. Although the picture of health, Mrs. Burr had been ailing, and came here that she might consult with skilled doctors. Everything possible was done to prolong her life, but she passed away Friday, much beloved by all who knew her. The service was taken by Revs. N. Wellwood, R. McKee and H. R. Haughton. Deceased, during her residence here, showed herself public spirited, always ready to give for the church, red cross and other good work. The preachers spoke words of comfort to the bereaved husband who has the sincere sympathy of the community in the loss of one who was beautiful in character and person, a cheerful and happy disposition.

Horticultural

The monthly meeting of the Richmond Hill Horticultural Society was held in the school room of the Methodist church Tuesday evening.

The Secretary reported that six trees of different varieties of maples had been procured from the nurseries and were planted and boxed in the high school grounds.

A letter was read from the Thornhill Society, asking this Society to appoint a committee to join with other committees to meet the Highway Commission with a view of having unsightly signs removed from along the highway. President J. S. McNair, Secretary Miss Mary Trench and Dr. Lillian Langstaff were appointed a committee in accordance with request.

The President, the Treasurer and the Secretary were also appointed a committee to act with the school teachers in procuring seeds for the school children.

The feature of the evening was an address on Gladioli, Dahlias and other plants and flowers, by Prof. Wm. Hunt of the Ontario Agricultural College. Prof. Hunt, who had specimens with him, showed some excellent methods for growing the plants and how they should be cared for.

Roses and other flowers were illustrated by lantern slides, some of the pests that injure them, with valuable suggestions for the cure of flower diseases.

The Professor, at the close, was accorded a hearty vote of thanks, on motion of Mr. T. F. McMahon, seconded by Rev. N. Wellwood. The lantern was manipulated by Mr. Harry Sanderson
