

## CHILDHOOD CONSTIPATION

Constipation is one of the most common ailments of childhood and the child suffering from it cannot thrive. To keep the children well the bowels must be kept regular and the stomach sweet. To do this nothing can equal Baby's Own Tablets. They are a mild but thorough laxative; are absolutely safe and never fail to relieve constipation and indigestion; colds and simple fever. Concerning them Mrs. Jules Fauquereau, Nominique, Que., writes:—"My baby was terribly constipated and suffered day and night. I was advised to give him Baby's Own Tablets and from the first they helped him and now at the age of thirteen months he is a big, healthy, happy boy." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

## PRES. CARRANZA ELUDES CAPTURE

All the Members of Mexican Cabinet Are Prisoners.

Mexico City, May 16.—Carranza is fleeing into the mountains of Vera Cruz by way of Petrote, and the revolutionists have captured 2,000 prisoners, with 24 trains, four pieces of artillery, 200 machine guns, a great quantity of ammunition and gold and silver bars, one airplane and many automobiles, according to a report from General Guadalupe Sanchez, given out at Obregon headquarters.

Before their flight, the Carranza troops set fire to the trains, but the flames were extinguished by revolutionists, who rescued several wounded occupants of the coaches. These included Gen. Augustin Millan, who had been left severely wounded in a sleeping car.

Gen. Jacinto Trevino, leading a revolutionary Commission bearing a safe conduct for Gen. Carranza should he wish to surrender, arrived on the scene a few hours after Carranza had fled.

Gen. Candido Aguilar, son-in-law of Venustano Carranza, has been cap-

tured at Jalapilla (Jalapa?), State of Vera Cruz, it was announced officially Saturday night.

El Paso, Tex., May 16.—All the members of Carranza's Cabinet have been captured and sent to Mexico City, according to a message said to have been received to-day by revolutionary agents here from Gen. Alvaro Obregon, who, at present, is in Mexico City.

## H.R.H. THROWN FROM HIS SADDLE

Uninjured by Fall in Attempting to Make Horse Clear Fence.

Christ Church, N.Z., May 16.—The Prince of Wales was thrown by his horse yesterday at the race course at Riccarton, after the racing events of the day had been concluded. The Prince was not injured.

After taking several jumps, the horse refused three times in an attempt at a bush fence, and on the last occasion spilled the Prince from his saddle.

The Prince, however, remounted, and seemed none the worse for his tumble.

## Canadian Mint Issues New Coin

A despatch from Ottawa says:—Authority has been given for the issue of the new Canadian cent on and after May 15. The coin will not, however, actually be in circulation till toward the end of the month.

The cent will be slightly larger than the Canadian ten-cent piece, or three-quarters of an inch in diameter. It will bear the following design:

Obverse impression: His Majesty's crowned effigy, consisting of head and bust, wearing the Royal robes, and looking to the left, with the inscription "George V., Dei Gra., Rex et Ind. Imp."

Reverse impression: The words "One Cent," supported by a maple leaf on each side, and bearing the word "Canada" above and the date of issue below.

### Western Wheat Showing Above Ground

Regina, May 15.—According to reports to reach here to-day, 65 per cent. of the wheat sown is showing above ground in the Melville district. A much higher percentage is claimed for the Qu'Appelle Valley, estimates running as high as 90 per cent. Along the valley farmers have started to plow for oats. Reports from Pense claim only 70 per cent. of the wheat sown. Some oats have already been sown.

## Add years to the life of your house

TIME was when the "appearance" of a freshly painted house was the only thing that counted, but now we must also realize the importance of the protection good paint affords against wear and tear. Any paint will give some protection, but if you want paint protection for years — not merely months—use

**B-H PAINT** "English" 70% Pure White Lead (Brandram's Genuine B.B.) 30% Pure White Zinc 100% Pure Paint

A 100% formula (70% of which is Brandram's Genuine B. B. White Lead) providing a coat of such body, brilliance and "toughness" as to defy rain, sun or snow, where cheaper paints will chip, peel and crack.

If your house is painted this Spring with B-H it actually has a surface-protection which renders it impervious to the decay of passing years.

You have the choice of 36 attractive colours as shown on color card which is supplied on application.

Look for the B-H dealer in your territory. The B-H sign hangs outside his store.
